

ESS Chassis System Kit Tikka T3/T3x - MDT ESS Chassis System Kit Tikka T3, T3x LA RH ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

Safety Instruction Guide for MDT ESS Chassis System Kit Tikka T3/T3x

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Tikka T3/T3x rifle. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual thoroughly before installation and usage to avoid any potential hazards.

General Safety Guidelines

- Always handle the chassis system with care and follow all safety instructions.
- Ensure the rifle is unloaded before installation or maintenance.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Report any unsafe conditions or accidents to relevant authorities.

Specific Safety Precautions for Use

- Use only compatible accessories as specified in the product description.
- Ensure that the magazine is securely inserted before use to prevent accidental discharges.
- Adjust the buttstock and cheek rest properly before shooting to ensure a comfortable and safe shooting position.
- Do not exceed the manufacturer's recommendations for weight and accessories attached to the chassis.
- Avoid using the chassis system in extreme weather conditions unless specified otherwise.

Instructions for Installation and Usage

Installation

1. Preparation

- Ensure all components are present and in good condition.
- Read the installation instructions carefully before proceeding.

2. Assembly

- Align the rifle action with the Vblock bedding system and secure it firmly.
- Attach the 15" forend by following the specific attachment instructions provided in the product manual.
- Install the adjustable buttstock, ensuring the lateral adjustments are set for optimal comfort.
- Attach the AR pistol grip, ensuring compatibility with your specific model.

3. Final Checks

- Verify that all screws and attachments are tightened and secure.
- Perform a function check to ensure all components are operating correctly.

Usage

- Always follow safe shooting practices and local laws regarding firearm usage.
- Before shooting, ensure that the shooting area is clear of obstructions and that a proper backstop is in place.
- Adjust the cheek rest height and buttpad lengthofpull using the thumb wheels to suit your shooting style.

- Utilize the ambidextrous magazine latch for easy access, ensuring your trigger finger or left hand operates it safely.
- Use the barricade stop feature to stabilize the rifle during shooting.

Disposal Instructions

- Dispose of the chassis system responsibly and in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Ensure that any hazardous materials are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or contact their customer support for assistance.

This safety instruction guide is designed to help you use the MDT ESS Chassis System Kit responsibly and safely. Always prioritize safety and adhere to all guidelines provided. Thank you for your attention to these important safety measures.
