

ESS Chassis System Kit Winchester Model 70 SA RH 308 Win with 7.125" action screw spacing Blue

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

Safety Instruction Guide for MDT ESS Chassis System Kit Winchester

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Winchester Model 70 SA RH 308 Win. This guide provides essential safety instructions, general guidelines, and specific precautions to ensure safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms and related accessories responsibly and safely.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or modifying the chassis system.
- Use only compatible magazines; ensure they are securely inserted before use.
- Avoid placing excessive pressure on the magazine when using the barricade stop.
- Ensure the buttstock and cheek rest are adjusted properly before use to prevent injury.
- Do not exceed the manufacturer's recommended specifications for the chassis system.
- Be cautious when adjusting the buttstock and cheek rest to avoid pinching fingers.
- Always wear appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Ensure you have all components of the MDT ESS Chassis System Kit.
- Read the manufacturer's instructions for your specific firearm model.

2. Remove the Existing Stock:

- Unload the firearm and ensure it is safe to handle.
- Remove the existing stock by unscrewing action screws.

3. Install the Chassis:

- Align the rifle action with the Vblock bedding system in the chassis.
- Secure the action in place using the provided action screws, ensuring proper torque specifications are followed.

4. Attach the Forend:

- Attach the 15" forend to the chassis as per the manufacturer's guidelines.

5. Adjust the Buttstock:

- Adjust the buttstock to your preferred length of pull using the thumb wheels.
- Ensure the buttpad is securely positioned.

6. Install the Pistol Grip:

- Attach an AR pattern pistol grip compatible with the chassis.
- If using a beavertail grip, minor trimming may be required.

7. Final Check:

- Verify that all components are securely attached and functioning correctly before use.

Usage Instructions

- Always check the firearm's condition before each use.
- Adjust the buttstock and cheek rest for comfort and proper aiming.
- Follow all safety protocols when handling and firing the firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided in the product documentation. Ensure you have your product information ready for a more efficient response.

Thank you for prioritizing safety while using the MDT ESS Chassis System Kit. Your careful adherence to these guidelines will help ensure a safe and enjoyable experience.
