## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Winchester Model 70 SA RH 308 Win. This guide provides essential safety instructions to ensure the safe and proper use of your chassis system. Please read and understand these instructions before installation and use.

## General Safety Guidelines

- Always treat the chassis system as if it is loaded.
- Store the chassis system in a secure location, out of reach of children and unauthorized users.
- Inspect the chassis system regularly for any signs of wear or damage.
- Use only compatible components and accessories as specified by the manufacturer.
- Follow all local laws and regulations regarding firearm use and ownership.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or making adjustments to the chassis system.
- Use eye protection when handling the chassis system and during any shooting activities.
- Keep your fingers off the trigger until you are ready to shoot.
- Do not modify the chassis system in any way that could compromise its safety or functionality.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always use appropriate ammunition as specified for your firearm.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and placed on a stable surface.
2. **Remove the Existing Stock:** Use the appropriate tools to detach the existing stock from the firearm.
3. **Attach the Chassis System:**
  - Align the chassis system with the action of the firearm.
  - Secure the chassis using the provided action screws, ensuring they are tightened to the manufacturer's specifications.
4. **Install the Forend:** Attach the 15" forend to the chassis, ensuring it is securely fastened.
5. **Adjust the Buttstock:**
  - Adjust the length of pull and cheek rest height using the thumb wheels.
  - Ensure that the buttstock is firmly in place and adjusted to your comfort.
6. **Install the Pistol Grip:** If desired, attach an AR pattern pistol grip that is compatible with the chassis system.

### Usage

- Familiarize yourself with the controls and adjustments of the chassis system before use.
- Always perform a function check to ensure the firearm operates correctly after installation.
- Maintain a proper shooting stance and grip while using the chassis system.
- Follow all shooting range rules and guidelines when using the chassis system in a public or organized setting.

## Disposal Instructions

- Dispose of the chassis system according to local regulations for electronic waste and metal recycling.
- Remove any nonrecyclable components and dispose of them in accordance with local waste management guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or contact their customer support for assistance. Ensure you have the product details and any relevant information ready when reaching out.
