

# ESS Chassis System Kit Winchester Model 70 SA RH 308 Win with 7.125" action screw spacing ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Winchester Model 70 SA RH 308 Win. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and treat them as if they are loaded.
- Store the chassis system and any associated equipment in a secure location, away from children and unauthorized users.
- Do not modify the chassis system in any way that may compromise its safety or functionality.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the area around you is clear of any obstacles or individuals before using the firearm.
- Use only compatible magazines with the chassis system to ensure proper function and safety.
- Be aware of your surroundings and ensure that you have a safe backstop when discharging a firearm.
- Do not exceed the manufacturer's recommended specifications for ammunition and accessories.
- If you experience any malfunctions or issues with the chassis system, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Workspace:** Ensure you have a clean, dry area to work in. Gather all necessary tools and components.
2. **Remove the Action from the Stock:** Carefully detach the action from the original stock, following the manufacturer's instructions.
3. **Install the Action into the Chassis:**
  - Align the action with the Vblock bedding system in the chassis.
  - Secure the action using the provided action screws, ensuring they are tightened to the manufacturer's specifications.
4. **Attach the Forend:**
  - If applicable, attach the 15" forend securely to the chassis.
5. **Adjust the Buttstock:**
  - Adjust the length of pull and cheek rest height using the thumb wheels provided.
6. **Install the Magazine:**
  - Insert the magazine into the magazine well, ensuring it is seated properly.

### Usage

- Before using the firearm, perform a safety check to ensure it is unloaded.
- Familiarize yourself with the functions of the adjustable buttstock and magazine latch.
- Practice adjusting the buttstock to ensure a comfortable and secure fit.
- When ready to fire, ensure that the firearm is pointed in a safe direction and that you are aware of your

target and what lies beyond it.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the chassis system becomes damaged beyond repair, consult local regulations for proper disposal of firearm components.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or contact customer support through the provided channels. It is important to ensure that you have access to a reliable source for assistance and information regarding safety and usage of your product.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit. Thank you for prioritizing safety and responsible firearm use.
