MDT ESS Chassis System Kit Winchester Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis System Kit Winchester. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before using the chassis system kit to familiarize yourself with its features and safety precautions.

General Safety Guidelines

- Ensure that all components of the MDT ESS Chassis System Kit are intact and free from damage before use.
- Always handle firearms and related accessories with care and respect.
- Store the chassis system in a secure location, away from children and unauthorized users.
- Use the product only for its intended purpose as specified in this manual.
- Regularly inspect the chassis system for wear and tear, and replace any damaged parts immediately.
- Follow all local laws and regulations regarding firearm storage and usage.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the chassis system.
- Use only compatible magazines with the chassis system to prevent malfunctions.
- When adjusting the buttstock and cheek rest, do so slowly to avoid pinching fingers or causing injury.
- Be cautious when using the barricade stop to avoid applying excessive pressure on the magazine.
- If you experience any difficulties during installation or use, cease operation and consult a qualified gunsmith or contact support.

Instructions for Installation and Usage

1. Installation of the Chassis System:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the firearm according to the manufacturer's instructions.
- Align the action of the firearm with the Vblock bedding system of the chassis.
- Secure the action using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Attach the forend by sliding it into place and securing it as per the instructions included in the kit.

2. Adjusting the Buttstock:

- To adjust the length of pull, use the thumb wheels located at the back of the buttstock.
- For lateral adjustment of the buttpad, loosen the adjustment screws, reposition the pad, and tighten the screws securely.
- Adjust the cheek rest height similarly by using the thumb wheels for a comfortable cheek weld.

3. Using the Magazine:

- Insert the magazine into the magazine well until it clicks into place.
- To remove the magazine, press the ambidextrous magazine latch with your trigger finger or left hand.
- Ensure that the magazine is seated correctly before use.

4. PostUse Care:

- After using the chassis system, clean it according to the manufacturer's recommendations.
- Store the chassis in a dry, secure location.

Disposal Instructions

- Dispose of the MDT ESS Chassis System Kit responsibly, following local regulations for electronic waste and firearm accessories.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.
