

# ESS Chassis System Kit Winchester XPR SA RH White

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# Safety Instruction Guide for MDT ESS Chassis System Kit Winchester

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit Winchester. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Report any unsafe product conditions or incidents to the appropriate authorities.
- Stay updated on recall information via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the chassis system.
- Do not exceed the manufacturer's specifications for weight and accessories.
- Use only compatible magazines as specified in the product description.
- Ensure that the adjustable buttstock is securely locked in place before use.
- Avoid placing excessive pressure on the magazine to prevent damage.
- Be cautious when making adjustments to the cheek rest and buttpad to avoid pinching fingers.
- Use the barricade stop properly to prevent unintentional pressure on the magazine during shooting.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare the Workspace:

- Ensure you have a clean, flat surface to work on.
- Gather all necessary tools and the chassis system kit.

#### 2. Remove the Existing Stock:

- Unload the firearm.
- Follow the manufacturer's instructions to detach the existing stock.

#### 3. Install the Chassis System:

- Align the rifle action with the Vblock bedding system.
- Securely attach the chassis to the rifle action using the provided screws.
- Ensure all screws are tightened to the manufacturer's specifications.

#### 4. Attach the Forend:

- Slide the forend onto the chassis and secure it as per the instructions.

#### 5. Adjust the Buttstock:

- Adjust the lengthofpull and cheek rest height using the thumb wheels.
- Ensure the buttstock is locked in position before use.

#### **6. Install the Magazine:**

- Insert the compatible magazine into the magazine well until it clicks into place.

### **Usage**

- Always check the firearm for functionality before use.
- Practice safe handling and shooting techniques.
- Regularly check the integrity of the chassis system during use.

### **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management services for proper disposal methods.

### **Contact Information for Further Support**

For questions or concerns regarding the MDT ESS Chassis System Kit Winchester, please refer to the manufacturer's website or contact their customer service directly.

Thank you for prioritizing safety and compliance while using the MDT ESS Chassis System Kit Winchester. Enjoy your shooting experience!
