

# ESS Chassis System Kit Remington 700 SA LH Bronze

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Remington 700. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding firearm accessories and usage.
- Always handle firearms safely and responsibly, following the basic rules of firearm safety.
- Inspect the MDT ESS Chassis System Kit before each use to ensure it is in good condition and free from defects.
- Store the chassis system in a secure location, away from children and unauthorized users.
- Do not exceed the manufacturer's recommendations for weight and accessories when using the chassis system.

## Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or adjusting the chassis system.
- Use only compatible magazines as specified in the product description. Ensure they are correctly seated in the magazine well.
- Adjust the buttstock and cheek rest only when the firearm is pointed in a safe direction.
- Avoid placing excessive pressure on the magazine during use, as this may cause malfunctions.
- Regularly check for any wear or damage to components, particularly the adjustable parts.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation of the Chassis System:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory stock from the Remington 700 by unscrewing the action screws.
- Align the action with the Vblock bedding system of the MDT ESS Chassis.
- Secure the action using the provided screws, ensuring they are tightened to the manufacturer's specifications.

### 2. Adjusting the Buttstock:

- To adjust the length of pull, turn the thumb wheel located on the buttstock.
- For lateral adjustment of the buttpad, loosen the corresponding thumb wheel and slide the pad to the desired position before tightening.

### 3. Adjusting the Cheek Rest:

- To adjust the height of the cheek rest, turn the thumb wheels on either side of the rest.
- Ensure the cheek rest is secure before use.

### 4. Using the Magazine:

- Insert the magazine into the magazine well until you hear a click indicating it is locked in place.
- To release the magazine, press the ambidextrous magazine latch with your trigger finger or left hand.

## 5. **Safety Check:**

- After installation and adjustments, perform a safety check to ensure all components are secure and functioning properly before use.

## **Disposal Instructions**

- Dispose of the MDT ESS Chassis System Kit responsibly at a local waste management facility that accepts metal and plastic components.
- Do not dispose of any part of the chassis system in regular household waste.
- Follow local regulations for disposal of firearm accessories.

## **Contact Information for Further Support**

For assistance or inquiries regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or contact your local dealer. Ensure you have your product details ready for a more efficient response.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of the MDT ESS Chassis System Kit. Always prioritize safety and responsibility when handling firearms and their accessories. Thank you for your attention and enjoy your new product.
