

ESS Chassis System Kit Remington 700 SA LH Blue

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Remington 700. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Always ensure that the firearm is unloaded before handling or installing the chassis system.
- Use only compatible magazines as specified in the product details.
- Regularly inspect the chassis system for any signs of wear or damage.
- Keep the chassis system and associated tools out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Be aware of your surroundings when using firearms and follow standard firearm safety rules.

Specific Safety Precautions for Use

- Ensure that the adjustable buttstock is securely locked in place before use.
- Adjust the buttpad length of pull and cheek rest height to fit your body size comfortably.
- When using the magazine well, ensure that the magazine is inserted correctly to avoid malfunctions.
- Use the ambidextrous magazine latch with care to prevent accidental release of the magazine.
- Avoid placing pressure on the magazine while shooting to prevent jamming or misfeeds.
- If using a beavertail AR pattern pistol grip, ensure that any trimming is done carefully to avoid compromising the grip's integrity.

Instructions for Installation and Usage

1. Installation of the Chassis System:

- Ensure the firearm is unloaded.
- Remove the existing stock from the Remington 700.
- Align the action with the Vblock bedding system in the chassis.
- Secure the action using the provided screws, ensuring a snug fit without overtightening.

2. Adjusting the Buttstock and Cheek Rest:

- To adjust the buttstock, locate the adjustment knobs on either side.
- Turn the knobs to extend or retract the buttpad to your desired length.
- For the cheek rest, adjust the height using the thumb wheels until it is comfortable for your sight alignment.

3. Using the Magazine:

- Insert the magazine into the magazine well until you hear a click, indicating it is securely in place.
- To release the magazine, press the ambidextrous magazine latch with your trigger finger or left hand.

4. Using the Chassis System:

- Always maintain a proper shooting stance and grip on the rifle.
- Regularly check that all components are secure before each use.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations regarding firearm accessories.
- If the product is damaged or no longer usable, do not attempt to repair it. Instead, follow local guidelines for safe disposal.

Contact Information for Further Support

For any questions or safety inquiries regarding the MDT ESS Chassis System Kit, please refer to the appropriate contact channels as indicated in your product documentation.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit. Thank you for your attention to safety!
