

ESS Chassis System Kit Remington 700 SA LH Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Remington 700

Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for the Remington 700. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always handle firearms with care and adhere to all applicable laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the chassis system.
- Use the adjustable buttstock and cheek rest to ensure a comfortable and secure shooting position.
- Do not exceed the manufacturer's specifications for the weight or type of accessories attached to the chassis.
- Ensure that the magazine is properly inserted before attempting to fire the weapon.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. **Unpack the Kit:** Carefully remove all components from the packaging and inspect for any damage.
2. **Attach the Forend:** Align the forend with the front of the Remington 700 action and secure it using the provided screws.
3. **Install the Buttstock:** Slide the adjustable buttstock onto the rear of the action. Adjust to your desired length and secure it.
4. **Attach the Pistol Grip:** Install the AR pistol grip according to the manufacturer's instructions.
5. **Check Adjustments:** Ensure that the cheek rest height and buttpad lengthofpull are adjusted to your preference using the thumb wheels.

Usage

- Always ensure the firearm is pointed in a safe direction when handling.
- Familiarize yourself with the ambidextrous magazine latch for easy operation.
- Use the barricade stop feature to stabilize the firearm during shooting.
- Regularly check the magazine well for any obstructions to ensure easy insertion of the magazine.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding waste disposal.
- Do not dispose of the product in household waste. Seek out designated recycling or disposal facilities for firearms accessories.

Contact Information for Further Support

For any queries regarding safety, usage, or product issues, please refer to the manufacturer's website or contact your local dealer for support.

By following these safety instructions, you can ensure safe and effective use of the MDT ESS Chassis System Kit for your Remington 700. Thank you for prioritizing safety.
