

ESS Chassis System Kit Remington 700 SA LH ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Remington 700

Safety Instructions

Introduction

Thank you for purchasing the MDT ESS Chassis System Kit for the Remington 700. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use to understand potential hazards and how to avoid them.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the chassis system for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls or safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Before using the chassis system, ensure that your firearm is unloaded and pointed in a safe direction.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Do not modify the chassis system in any way that could compromise its safety or functionality.
- Be cautious when adjusting the buttstock and cheek rest to avoid pinching or injury.
- Ensure that the magazine is securely inserted and that the magazine latch operates smoothly.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Start by ensuring that your Remington 700 is unloaded.
- Remove the original stock from the firearm according to the manufacturer's instructions.
- Align the MDT ESS Chassis System with the receiver of the firearm.
- Securely attach the chassis system using the provided screws and tools.
- Adjust the buttstock and cheek rest to your preferred settings before use.

2. Usage:

- Familiarize yourself with the adjustable features of the chassis system.
- Ensure that the magazine is properly inserted and that the magazine latch is functioning correctly.
- Adjust the buttpad length of pull and cheek rest height using the thumb wheels for optimal comfort.
- Always check that the barricade stop is in place before using the chassis system in a shooting position.
- Practice safe firearm handling and shooting techniques at all times.

Disposal Instructions

- When the product reaches the end of its life or is no longer usable, dispose of it in accordance with local regulations.
- Recycle materials when possible, following guidelines for metal and plastic disposal.
- Do not dispose of the chassis system in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or customer support channels for assistance.
