

# ESS Chassis System Kit Remington 700 SA LH White

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# Safety Instruction Guide for MDT ESS Chassis System Kit Remington 700

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Remington 700. This guide provides important safety information and instructions to ensure safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of damage or wear.
- In case of any malfunction or damage, discontinue use immediately and contact the manufacturer.
- Be aware of your surroundings and ensure a safe environment when using the product.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling firearms and related equipment.
- Ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Avoid placing excessive pressure on the magazine to prevent damage or malfunction.
- Use only compatible magazines as specified in the product description.
- When adjusting the buttstock and cheek rest, do so carefully to avoid pinching or injury.
- Do not modify the chassis system beyond the manufacturer's specifications.

## Instructions for Installation and Usage

### 1. Installation of the Chassis System

- Begin by ensuring that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700 according to the manufacturer's instructions.
- Align the action of the firearm with the Vblock bedding system of the chassis.
- Secure the action in place using the provided screws, ensuring a snug fit without overtightening.

### 2. Adjusting the Buttstock

- To adjust the length of pull, locate the thumb wheels on the buttstock.
- Rotate the thumb wheels to extend or shorten the buttpad as needed.
- For lateral adjustments, loosen the lateral adjustment knob, position the buttpad, and then tighten the knob securely.

### 3. Adjusting the Cheek Rest

- Similar to the buttstock, the cheek rest height can be adjusted using the thumb wheels.
- Rotate the thumb wheels to achieve the desired height, ensuring a comfortable shooting position.

### 4. Magazine Insertion

- Ensure the magazine is compatible with the chassis system.
- Insert the magazine into the magazine well until it clicks into place.
- To remove the magazine, press the ambidextrous magazine latch with your trigger finger or left

hand.

## **5. Usage of the Chassis System**

- When using the firearm, maintain a proper shooting stance and grip.
- Use the barricade stop feature to stabilize the firearm against obstacles.
- Always be aware of the direction of the muzzle and keep it pointed in a safe direction.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the chassis system is no longer in use, consider recycling components where possible.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's contact information provided with the product packaging or on their official website.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with the MDT ESS Chassis System Kit for your Remington 700. Always prioritize safety and proper handling of firearms and accessories. Thank you for your attention to these important safety measures.
