

ESS Chassis System Kit Remington 700 - MDT Chassis - ESS System - Remington 700 - LA - LH - GRY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Remington 700. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before installation and usage to prevent accidents and ensure compliance with safety regulations.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always handle firearms and firearm accessories with care and respect.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the chassis system for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installation or handling of the chassis system.
- Use protective eyewear when installing or adjusting the chassis system.
- Be cautious of sharp edges during installation; wear gloves if necessary.
- Ensure that the adjustable buttstock is securely locked in place before use.
- Avoid placing excessive pressure on the magazine during use to prevent malfunction.
- Ensure that the magazine is properly seated in the magazine well before firing.
- Do not modify the chassis system or its components beyond the manufacturer's specifications.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700 following the manufacturer's instructions.
- Align the MDT ESS Chassis System with the receiver of the firearm.
- Secure the chassis system using the provided screws and tools. Ensure all screws are tightened to the manufacturer's specifications.
- Attach the adjustable buttstock and ensure it is locked in place.
- Install the AR pistol grip according to the instructions provided in the kit.
- Check the alignment and stability of the chassis system before use.

2. Usage Guidelines:

- Adjust the buttstock length of pull and cheek rest height using the thumb wheels to fit your shooting style.
- Ensure that the magazine is inserted correctly into the magazine well before loading ammunition.
- Use the ambidextrous magazine latch for easy access and operation.
- When using the firearm, maintain a proper shooting stance and grip.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations on electronic waste and firearm accessories.
- Do not dispose of the product in regular household waste.
- Check with local authorities for specific disposal guidelines for aluminum and other materials used in the chassis system.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or customer support for assistance. Always ensure that you have the latest information regarding safety recalls and product updates.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit. Thank you for your attention to safety and responsible firearm ownership.
