

ESS Chassis System Kit Tikka T3/T3x - MDT ESS Chassis System Kit Tikka T3, T3x SA LH Blue

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Tikka T3/T3x Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Tikka T3/T3x rifle. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe handling and operation.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Use the product only for its intended purpose.
- Report any unsafe product incidents to local authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the rifle is unloaded before installing or making adjustments to the chassis system.
- Use appropriate personal protective equipment (PPE) when handling tools or during installation.
- Avoid placing excessive pressure on the magazine during use to prevent malfunction.
- Adjust the buttstock and cheek rest to a comfortable position before firing.
- Be cautious of sharp edges during installation and handling.
- Ensure that the magazine is correctly seated before attempting to fire the rifle.
- Follow all local laws and regulations regarding firearm modifications and usage.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and in a safe position.
- Remove the existing stock from the rifle.
- Align the MDT ESS Chassis System Kit with the rifle action.
- Secure the chassis using the provided screws, ensuring they are tightened appropriately.
- Attach the magazine well, ensuring it is properly seated for easy magazine insertion.
- Adjust the buttstock and cheek rest using the thumb wheels to your desired settings.

2. Usage:

- Before firing, ensure the rifle is pointed in a safe direction.
- Check that the magazine is loaded correctly and inserted fully into the magazine well.
- Adjust the buttstock length of pull and cheek rest height as necessary for comfort.
- Practice safe firearm handling at all times, including keeping your finger off the trigger until ready to fire.

Disposal Instructions

- Dispose of packaging materials responsibly and in accordance with local waste management regulations.
- If the product reaches the end of its life, dispose of it in an environmentally friendly manner. Check with local recycling centers for proper disposal methods for aluminum and other materials.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or contact your local dealer for assistance. Always keep this guide for reference to ensure safe usage of your product.
