

ESS Chassis System Kit Tikka T3/T3x - MDT ESS Chassis System Kit Tikka T3, T3x SA LH Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Tikka T3/T3x Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Tikka T3/T3x rifle. This guide provides essential safety instructions, usage guidelines, and disposal instructions to ensure safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure the product is compatible with your specific firearm model before installation.
- Regularly inspect the chassis system for any signs of wear or damage.
- Store the chassis system and any associated equipment in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the chassis system.
- Do not exceed the manufacturer's recommended specifications for the rifle or chassis system.
- Always use the chassis system in a safe environment, away from populated areas and hazards.
- When using the adjustable buttstock, ensure all adjustments are secure before firing.
- Use only compatible magazines as specified in the product description.
- Be mindful of the magazine latch mechanism; ensure it is functioning properly to avoid accidental releases.

Instructions for Installation and Usage

1. Installation

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the Tikka T3/T3x rifle.
- Align the MDT ESS chassis with the rifle action and secure it using the provided hardware.
- Install the magazine well and ensure it is properly seated.
- Adjust the buttstock and cheek rest to your preferred settings using the thumb wheels.
- Confirm that all components are tightened and secure before use.

2. Usage

- Familiarize yourself with the adjustable features of the chassis system, including the buttstock lengthofpull and cheek rest height.
- Practice using the magazine latch to ensure smooth operation.
- When firing, maintain a firm grip on the AR pistol grip and ensure your stance is stable.
- After use, inspect the chassis system for any signs of damage or wear.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations regarding metal and plastic waste.
- If the product is damaged or no longer usable, consider recycling the materials where possible.
- Ensure that all components are completely removed from the rifle before disposal.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or contact their customer support for assistance. It is crucial to have access to reliable support for any safety inquiries.

Conclusion

The MDT ESS Chassis System Kit is designed to enhance your shooting experience while ensuring safety and reliability. By following these guidelines and instructions, you can ensure safe and effective use of your product. Always prioritize safety and stay informed about best practices in firearm handling and modifications.
