

ESS Chassis System Kit Daniel Defence Delta 5 SA RH Bronze

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Safety Instructions

Introduction

Thank you for purchasing the MDT ESS Chassis System Kit designed for the Daniel Defence Delta 5. This guide provides essential safety instructions and guidelines to ensure the safe use and enjoyment of your product. Please read this manual carefully before use.

General Safety Guidelines

- Always handle your rifle with care and treat it as if it is loaded.
- Ensure the rifle is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to fire.
- Store your rifle in a secure location, away from unauthorized users, especially children.
- Regularly inspect your chassis system for any signs of wear or damage.
- Use only compatible accessories and components as specified in this manual.
- Always follow local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Adjustment of Components:**

- Make all adjustments to the buttstock and cheek rest while the rifle is unloaded.
- Ensure that all adjustments are securely locked before use to prevent accidental movement during operation.

- **Magazine Handling:**

- Always ensure that the magazine is securely inserted into the well before use.
- Avoid putting pressure on the magazine to prevent accidental disengagement.

- **Ambidextrous Features:**

- Familiarize yourself with the ambidextrous magazine latch to ensure safe operation with either hand.

- **Compatibility:**

- Use only nonbeavertail AR pattern pistol grips with this chassis system. Minor trimming may be required for beavertail grips.

- **General Use:**

- Avoid using the rifle in wet or muddy conditions that may affect the performance of the chassis system.
- Ensure that the barricade stop is properly positioned to prevent any interference with magazine operation.

Instructions for Installation and Usage

Installation Steps

1. **Prepare the Workspace:**

- Ensure you are in a clean, dry area with ample lighting.
- Have all necessary tools on hand, including a screwdriver and any components needed for installation.

2. Remove Existing Stock:

- Carefully remove the existing stock from your rifle, following the manufacturer's instructions.

3. Install the Chassis System:

- Align the MDT ESS Chassis System with the rifle action.
- Securely attach the chassis using the provided screws, ensuring that they are tightened to the manufacturer's specifications.

4. Adjust the Buttstock and Cheek Rest:

- Adjust the buttstock to your desired length of pull and cheek rest height using the thumb wheels.
- Ensure all adjustments are locked in place before proceeding.

5. Insert the Magazine:

- Insert the magazine into the magazine well. Ensure it clicks into place securely.

Usage Instructions

- Always check that the rifle is unloaded before handling.
- When ready to fire, ensure the rifle is pointed in a safe direction.
- Use the adjustable features of the buttstock and cheek rest to achieve a comfortable shooting position.
- After use, remove the magazine and ensure the rifle is unloaded before storing.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the chassis system or any components become damaged beyond repair, dispose of them responsibly, ensuring that they do not pose a safety hazard to others.
- Do not attempt to modify or repair damaged components; replace them with authorized parts only.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or your local dealer. Ensure you have the model and serial number of your MDT ESS Chassis System Kit for reference when seeking support.

Thank you for choosing the MDT ESS Chassis System Kit. Enjoy safe and responsible shooting!
