

# ESS Chassis System Kit Daniel Defence Delta 5 SA RH Blue

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Daniel Defence Delta 5 rifle. This guide provides important safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before using the chassis system kit.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always handle firearms with care and follow all applicable laws and regulations regarding firearm safety.
- Store the chassis system kit in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of damage or wear. Do not use if any components are damaged.
- Familiarize yourself with the features and adjustments of the chassis system to ensure safe operation.

## Specific Safety Precautions for Use

- Only use the chassis system with compatible firearms as specified in the product description.
- Do not modify the chassis system or use it with noncompatible components, as this may lead to unsafe conditions.
- Ensure that the magazine is properly inserted and secured before handling the firearm.
- Always point the firearm in a safe direction when making adjustments to the chassis system.
- Use appropriate eye and ear protection when firing the rifle.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation of the Chassis System:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the rifle according to the manufacturer's instructions.
- Align the rifle action with the Vblock bedding system in the chassis.
- Secure the rifle action using the provided screws, ensuring a snug fit without overtightening.
- Attach the adjustable buttstock to the chassis, following the manufacturer's guidelines for adjustment.
- Install the AR pistol grip, ensuring it is securely fastened.

### 2. Adjustments:

- **Buttstock Adjustment:**
  - Adjust the length of pull using the thumb wheels located on the buttstock.
  - Adjust the cheek rest height as needed for optimal sight alignment.
- **Magazine Insertion:**
  - Insert the magazine into the magazine well, ensuring it is seated properly.
  - Use the ambidextrous magazine latch for easy access and operation.
- **Barricade Stop:**
  - Utilize the barricade stop in front of the magazine to prevent undue pressure on the magazine during use.

### 3. Usage:

- Always ensure the firearm is in a safe condition before handling.
- Familiarize yourself with the operation of the chassis system and practice safe handling techniques.
- Regularly check the adjustments made to the chassis system for security and proper function.

## **Disposal Instructions**

- Dispose of the chassis system in accordance with local regulations for firearm accessories and materials.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or support for the MDT ESS Chassis System Kit, please refer to the official MDT website or contact your local dealer.

## **Conclusion**

Your safety is our priority. By following these guidelines and instructions, you can ensure the safe use of the MDT ESS Chassis System Kit. Always prioritize safety and responsible firearm handling. Thank you for choosing our product.
