

# ACC Chassis System Kit CZ 455, 457 - MDT ACC Chassis System CZ 455 22LR, 17 HMR RH Bronze

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

# MDT ACC Chassis System Kit CZ 455, 457 Safety Instructions

## Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your CZ 455 and 457 rifles. This guide provides essential safety instructions to ensure the safe use and maintenance of your chassis system. Please read this document carefully and adhere to all safety guidelines to maximize your enjoyment and safety while using this product.

## General Safety Guidelines

- Always treat your rifle and chassis system as if they are loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that the safety mechanism is engaged until you are ready to fire.
- Be aware of your surroundings and ensure that you have a clear shooting area.
- Store your chassis system and rifle securely when not in use, out of reach of children and unauthorized users.
- Regularly inspect your chassis system for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm usage and ownership.

## Specific Safety Precautions for Use

- **Weight Management:** The chassis has an integrated weight management system. Ensure that weights are securely fastened to prevent them from falling during use.
- **Compatibility:** This chassis is compatible with AICS style magazines. Ensure that you are using the correct magazine to prevent malfunctions.
- **Installation of Accessories:** Use the provided retention screw on the ARCA/RRS dovetail to secure accessories. Check the tightness of screws before each use.
- **Adjustability:** Adjust the buttstock and forend weights according to your preferences. Make sure all adjustments are securely locked in place before use.
- **Shooting Position:** When using the chassis, maintain a stable shooting position to ensure accuracy and control.

## Instructions for Installation and Usage

### Installation

1. **Unpacking:** Carefully remove the chassis from its packaging and inspect all components for any damage.
2. **Weight Installation:**
  - Choose the desired weight configuration based on your preference for balance and stability.
  - Securely attach weights to the buttstock, interior forend, or exterior forend as needed.
3. **Grip Attachment:** Install the MDT Elite Grip by following the provided instructions to ensure a secure fit.
4. **Buttstock Interface:** Attach the MDT's proprietary XTN buttstock interface. Ensure the adjustable stock is locked in place.

### Usage

1. **Loading the Rifle:** Ensure the rifle is unloaded before attaching it to the chassis. Load the rifle only when you are ready to shoot.
2. **Adjusting the Chassis:** Before shooting, adjust the chassis settings to fit your shooting style. Make sure all adjustments are secure.
3. **Shooting:** Follow standard shooting practices. Always be aware of your target and what lies beyond it.

## **Disposal Instructions**

- Dispose of packaging materials responsibly, adhering to local recycling guidelines.
- At the end of the product's life, dispose of the chassis in accordance with local regulations regarding aluminum and other materials.
- Ensure that any hazardous materials (e.g., batteries, if applicable) are disposed of at designated collection points.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the MDT ACC Chassis System Kit, please refer to the manufacturer's website or contact their customer service directly. It is important to have access to support for any questions or concerns you may have regarding the safe use of this product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ACC Chassis System Kit. Always prioritize safety and responsibility when handling firearms and related equipment.
