

ACC Chassis System Kit CZ 455, 457 - MDT ACC Chassis System CZ 457 22LR, 17 HMR RH Bronze

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

MDT ACC Chassis System Kit CZ 455, 457 Safety Instruction Guide

Introduction

Thank you for choosing the MDT ACC Chassis System Kit CZ 455, 457. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always handle firearms and related accessories with care and responsibility.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Weight Management:** The chassis allows for weight adjustments. Ensure that any added weights do not exceed the maximum recommended weight of 5.6 kg for the chassis alone.
- **Compatibility:** Use only AICS style magazines that are compatible with the chassis. Using incompatible magazines may lead to malfunctions.
- **Installation of Accessories:** When attaching accessories to the ARCA/RRS dovetail, ensure that the retention screw is securely tightened to prevent accidental detachment during use.
- **Handling:** Always treat the firearm as if it is loaded. Keep the muzzle pointed in a safe direction at all times.
- **Shooting Position:** Ensure a stable shooting position when using the chassis to maintain control and accuracy.

Instructions for Installation and Usage

1. Installation of the Chassis:

- Remove the existing stock from your CZ 457 rifle according to the manufacturer's instructions.
- Align the action of your rifle with the MDT ACC Chassis.
- Secure the action in place using the provided hardware, ensuring all screws are tightened to the manufacturer's specifications.

2. Adjusting Weights:

- To adjust the weight, remove the weight plates from the buttstock, interior forend, or exterior forend as needed.
- Add or remove weights to achieve the desired balance and weight distribution.
- Ensure that all weights are securely attached before use.

3. Attaching Accessories:

- Use the available ARCA/RRS dovetail to attach accessories.
- Tighten the retention screw to secure accessories in place.

4. Using the MDT Elite Grip:

- Ensure that the grip is securely attached to the chassis.
- Adjust the grip position as needed for comfort and control.

5. Magazine Loading:

- Load AICS style magazines according to the magazine manufacturer's instructions.
- Insert the magazine into the chassis until it clicks into place.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Remove any nonrecyclable components and dispose of them separately.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any questions or concerns regarding the MDT ACC Chassis System Kit CZ 455, 457, please refer to your retailer or manufacturer's website for support and additional resources.

Thank you for your attention to these safety guidelines. Enjoy the enhanced performance and customization options that the MDT ACC Chassis System provides. Stay safe and responsible while using your product.
