

ACC Chassis System Kit Remington 700 - MDT ACC Chassis System Remington 700 LA RH Blue

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.

MDT ACC Chassis System Kit Safety Instructions

Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your Remington 700. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the MDT ACC Chassis System Kit by following all instructions and guidelines provided. This product is designed for nonfood use and complies with EU safety regulations.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices and remedies at no cost. Stay informed about recalls related to this product.
- **Online Shopping Protections:** If purchased online, you are entitled to the same safety protections as if you bought it in a physical store. Ensure the online platform adheres to safety requirements.
- **Special Consumer Focus:** Extra care should be taken to keep this product away from vulnerable groups, especially children. Ensure that they do not have access to the chassis system without supervision.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay updated on any unsafe product alerts through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Weight Management:** The chassis has an adjustable weight management system. Ensure that weights are securely fastened to avoid accidents during use.
- **Proper Handling:** Always handle the chassis with care. Avoid dropping or mishandling the product, as this may compromise its integrity and safety.
- **Installation of Accessories:** Use only compatible accessories as specified in the product documentation. Ensure all accessories are properly installed to prevent detachment during use.
- **Shooting Environment:** Always use the chassis in a safe shooting environment. Ensure that the area is clear of people and obstructions.
- **Regular Inspections:** Periodically inspect the chassis for any signs of wear or damage. Do not use the product if it appears compromised.

Instructions for Installation and Usage

1. Unpacking the Product:

- Carefully remove the MDT ACC Chassis System Kit from its packaging.
- Check all components against the included parts list to ensure nothing is missing.

2. Installation:

- Follow the manufacturer's instructions for installing the chassis onto your Remington 700.
- Ensure that the action, barrel, and scope are properly secured.
- Adjust the buttstock interface as needed for a comfortable fit.

3. Adjusting Weights:

- To adjust the weight, add or remove weights from the buttstock, interior forend, or exterior forend as desired.

- Make sure all weights are securely attached before use.

4. **Usage:**

- When ready to shoot, ensure that the rifle is pointed in a safe direction.
- Use the MDT Elite Grip for better control.
- Always wear appropriate safety gear, including eye and ear protection.

5. **After Use:**

- Clean the chassis and check for any damage after each use.
- Store the chassis in a safe, dry place away from children and unauthorized users.

Disposal Instructions

- **Disposal of the Product:** When the MDT ACC Chassis System Kit reaches the end of its life, dispose of it in accordance with local waste disposal regulations.
- **Recycling:** If possible, recycle the aluminum components of the chassis to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MDT ACC Chassis System Kit, please refer to the appropriate support channels provided by the manufacturer. Always ensure that you have the product details at hand for efficient assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ACC Chassis System Kit. Thank you for your attention to safety and compliance. Happy shooting!
