

# ACC Chassis System Kit Remington 700 - MDT ACC Chassis System Remington 700 LA RH Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.
- Remington 700 LA requires MDT 3.850" magazines.

# Safety Instruction Guide for MDT ACC Chassis System Kit Remington 700

## Introduction

Thank you for purchasing the MDT ACC Chassis System Kit for the Remington 700. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this manual.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the chassis system for any signs of wear or damage before each use.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- **Weight Management:** Adjust the weights according to your preference, ensuring that the total weight does not exceed the maximum limit of 5.6 kg for the chassis alone.
- **Installation of Accessories:** Use the retention screw provided to secure accessories to the ARCA/RRS dovetail to prevent them from falling off during use.
- **Magazine Compatibility:** Ensure you are using the correct AICS style magazines, as the Remington 700 LA requires MDT 3.850" magazines for proper function.
- **Handling:** Always treat the rifle with the chassis installed as if it is loaded. Never point the firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

### 1. Installation of the Chassis:

- Remove the original stock from the Remington 700.
- Carefully attach the MDT ACC Chassis to the action of the rifle, ensuring a secure fit.
- Utilize the MDT's proprietary XTN buttstock interface to attach the adjustable stock included with your chassis.

### 2. Weight Adjustment:

- Add or remove weights from the buttstock, interior forend, or exterior forend as needed to achieve your desired balance.
- Ensure that all weights are securely fastened before use.

### 3. Accessory Installation:

- Attach any accessories to the available 17" ARCA/RRS dovetail.
- Tighten the retention screw to prevent accessories from loosening during use.

### 4. Final Checks:

- Before heading to the range, conduct a final inspection to ensure that everything is securely attached and functioning properly.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the MDT ACC Chassis System Kit, please reach out to your local dealer or the retailer from which you purchased the product. They will be able to assist you with any questions or issues you may have.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT ACC Chassis System Kit. Thank you for prioritizing safety.
