

# ACC Chassis System Kit Remington 700 - MDT ACC Chassis System Remington 700 LA RH ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).

# MDT ACC Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your Remington 700. This guide provides essential safety instructions to ensure the safe and effective use of your product. It is important to read and understand these instructions before installation and use.

## General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that the rifle is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the chassis system and your firearm securely, out of reach of children and unauthorized users.
- Regularly inspect the chassis and associated components for wear and damage.
- Follow all local laws and regulations regarding firearm use and ownership.
- Be aware of your surroundings and ensure a clear shooting area before firing.

## Specific Safety Precautions for Use

- Ensure that the chassis system is compatible with your Remington 700 model.
- Use only AICS style magazines that are designed for your chassis.
- Always attach the weights securely to avoid any shifting during use.
- Do not exceed the maximum recommended weight of 5.6 kg for the chassis alone.
- Be cautious when adjusting the weights as improper handling may cause injury.
- Ensure that the ARCA/RRS dovetail accessories are securely fastened before use.
- Avoid using the chassis system in adverse weather conditions that may affect its performance.
- If you notice any unusual sounds or movements during use, cease operation immediately and inspect the unit.

## Instructions for Installation and Usage

### 1. Installation of Weights:

- Determine the desired weight and balance for your rifle.
- Carefully add weights to the buttstock, interior forend, or exterior forend as needed.
- Ensure that all weights are securely fastened.

### 2. Attaching the MDT Elite Grip:

- Align the grip with the designated area on the chassis.
- Secure the grip using the provided screws, ensuring a tight fit.

### 3. Using the MDT XTN Buttstock Interface:

- Attach the adjustable stock to the MDT XTN interface according to the included instructions.
- Adjust the stock to fit your shoulder comfortably.

### 4. Loading and Unloading:

- Always ensure the rifle is pointed in a safe direction.
- Load the AICS style magazine into the chassis, ensuring it clicks into place.
- To unload, remove the magazine and check the chamber to ensure it is clear.

### 5. Regular Maintenance:

- Clean the chassis system regularly to remove dirt and debris.
- Lubricate moving parts as needed to ensure smooth operation.

## **Disposal Instructions**

- Dispose of the chassis system and any components in accordance with local regulations.
- Do not dispose of the chassis in household waste.
- Consider recycling materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ACC Chassis System, please refer to the manufacturer's website or contact their customer support for assistance. Always ensure you have the most current information regarding safety recalls and product updates.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT ACC Chassis System Kit. Always prioritize safety and responsible firearm handling.
