

# ACC Chassis System Kit Remington 700 - MDT ACC Chassis System Remington 700 SA RH Blue

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

# MDT ACC Chassis System Kit Safety Instructions

## Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your Remington 700. This guide provides important safety information, usage instructions, and disposal guidelines to ensure safe and effective use of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Always handle firearms and firearm accessories with care and responsibility.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and modifications.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Weight Management:** The adjustable weights can significantly alter the balance and handling of your rifle. Ensure that all weights are securely attached before use.
- **Compatibility:** Use only compatible accessories and attachments with the MDT ACC Chassis System. Ensure that magazines and other components fit correctly.
- **Installation:** Follow the installation instructions carefully to avoid improper assembly that may affect safety and performance.
- **Shooting Environment:** Always ensure a safe shooting environment. Be aware of your surroundings and ensure that the area is clear of bystanders.
- **Maintenance:** Regularly clean and maintain the chassis system to ensure optimal performance and safety.

## Instructions for Installation and Usage

### 1. Installation of Weights:

- Identify the areas on the chassis where weights can be added (buttstock, interior forend, exterior forend).
- Select the desired weights based on your preference for balance and handling.
- Securely attach the weights using the provided screws or attachments.

### 2. Adjusting the Buttstock:

- Use the MDT proprietary XTN buttstock interface to adjust the stock to your preferred length and position.
- Ensure that the stock is locked in place before use.

### 3. Magazine Compatibility:

- Ensure that you are using AICS style magazines that are compatible with the chassis system.
- Load the magazine according to the manufacturer's instructions.

### 4. Using the MDT Elite Grip:

- Familiarize yourself with the MDT Elite Grip before use.
- Ensure that your grip is secure and comfortable while handling the rifle.

## 5. **Shooting:**

- Always follow safe shooting practices.
- Ensure that the rifle is pointed in a safe direction at all times.

## **Disposal Instructions**

- Dispose of the chassis system and any components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ACC Chassis System Kit, please refer to the manufacturer's website or contact your retailer for assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT ACC Chassis System!
