

# ACC Chassis System Kit Remington 700 - MDT ACC Chassis System Remington 700 SA LH Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

# Safety Instructions for MDT ACC Chassis System Kit Remington 700

## Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your Remington 700. This product is designed to enhance your shooting experience with an adjustable weight management system. To ensure your safety and the proper use of this product, please carefully read and follow the safety guidelines outlined in this manual.

## General Safety Guidelines

- Ensure that the MDT ACC Chassis System is installed correctly before use.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis and components for wear and damage.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Weight Management:** Do not exceed the maximum weight limit of 5.6 kg for the chassis alone. Adding your action, barrel, scope, and accessories may increase the total weight to 1214 kg.
- **Installation of Weights:** When adding or adjusting weights, ensure that they are securely fastened to prevent them from falling off during use.
- **Compatibility:** Only use AICS style magazines that are compatible with the MDT ACC Chassis System.
- **Grip and Buttstock:** Ensure that the MDT Elite Grip and XTN buttstock interface are properly adjusted to fit your shooting style and comfort.
- **Shooting Position:** Maintain a stable shooting position to avoid accidents or misfires.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the existing stock from your Remington 700.
- Align the MDT ACC Chassis System with the action of the rifle.
- Securely fasten the chassis to the action using the provided hardware.
- Ensure that the chassis is firmly attached before proceeding.

### 2. Adjusting Weights:

- Determine the desired weight and balance for your shooting needs.
- Add weights to the buttstock, interior forend, or exterior forend as needed.
- Tighten the retention screws to secure the weights in place.

### 3. Using the Chassis:

- Familiarize yourself with the controls and adjustments of the MDT ACC Chassis System.
- Practice shooting in a safe environment to become accustomed to the chassis' feel and balance.
- Regularly check the tightness of all components before each use.

## **Disposal Instructions**

- Dispose of the MDT ACC Chassis System and any components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ACC Chassis System, please refer to the manufacturer's website or contact your local dealer for assistance. Make sure to have your product details ready for a more efficient response.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your MDT ACC Chassis System Kit.
