

# ACC Chassis System Kit Tikka T3, T3x, T1x - MDT ACC Chassis System Tikka T3, T3x, T1x SA RH Bronze

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. Its original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

# MDT ACC Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your Tikka T3, T3x, or T1x rifle. This guide provides important safety instructions and general guidelines to ensure the safe use of this product. Please read this manual thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a chassis system for rifles.
- Always handle firearms with care and follow all standard firearm safety practices.
- Keep the chassis system out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Weight Management:** Ensure that the added weights do not exceed the maximum recommended weight of 5.6 kg for the chassis alone. Overloading can affect balance and control.
- **Accessory Attachment:** When attaching accessories to the ARCA/RRS dovetail, ensure that the retention screw is securely tightened to prevent accidental detachment during use.
- **Compatibility:** Use only AICS style magazines that are compatible with this chassis. Using incompatible magazines can lead to malfunctions.
- **Adjustability:** When adjusting the buttstock or forend weights, ensure that all components are securely fastened to avoid any movement during operation.
- **Shooting Position:** Always assume a proper shooting position when using the rifle to maintain control and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully unpack all components of the MDT ACC Chassis System.
- Follow the manufacturer's instructions for attaching the chassis to your rifle action.
- Ensure that the chassis is securely mounted and that all screws are tightened to the manufacturer's specifications.

### 2. Weight Adjustment:

- To adjust the weight, add or remove weights from the buttstock, interior forend, or exterior forend as needed.
- Ensure that the total weight does not exceed the maximum limit.

### 3. Accessory Installation:

- Attach accessories to the ARCA/RRS dovetail using the retention screw to secure them in place.
- Check that all accessories are firmly attached before use.

### 4. Usage:

- Always use the MDT Elite Grip for better control of the rifle.
- Ensure that you are in a safe shooting environment and that all safety measures are in place.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for aluminum and other materials.
- Do not dispose of the product in regular household waste. Check with local authorities for proper recycling and disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is our top priority. Enjoy your shooting experience with the MDT ACC Chassis System!
