

# ACC Chassis System Kit Tikka T3, T3x, T1x - MDT ACC Chassis System Tikka T3, T3x, T1x SA RH Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. Its original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

# MDT ACC Chassis System Kit Safety Instructions

## Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your Tikka T3, T3x, and T1x rifles. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the chassis system.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Use only compatible accessories with the MDT ACC Chassis System.
- Keep the chassis system and its components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Weight Management:**
  - Be aware of the total weight of your rifle, including the chassis, action, barrel, scope, and accessories. Ensure that it is manageable for your physical capabilities.
- **Installation:**
  - Ensure that all components are securely attached before use. Loose components can lead to malfunctions or accidents.
- **Adjustment:**
  - When adjusting weights, do so in a controlled environment. Avoid making adjustments while in a shooting position.
- **Handling:**
  - Always handle the rifle with care and treat it as if it is loaded. Maintain proper muzzle control at all times.
- **Storage:**
  - Store the chassis system and rifle in a secure location when not in use.

## Instructions for Installation and Usage

### 1. Unboxing:

- Carefully remove the MDT ACC Chassis System from the packaging.
- Ensure all parts are present and undamaged.

### 2. Installation:

- Begin by ensuring the rifle is unloaded.
- Remove the original stock from your Tikka rifle.
- Attach the MDT ACC Chassis to the action of the rifle according to the provided instructions.
- Securely fasten all screws and components to ensure stability.

### 3. Weight Adjustment:

- Determine the desired weight and balance for your setup.
- Add or remove weights from the buttstock, interior forend, or exterior forend as needed.
- Ensure all weights are securely fastened.

#### 4. Final Checks:

- Before using the rifle, conduct a thorough inspection to ensure all components are secure and properly adjusted.
- Test the rifle in a safe environment to confirm functionality.

## Disposal Instructions

- Follow local regulations for the disposal of aluminum and other materials.
- Do not dispose of the chassis system in regular household waste.
- Consider recycling options for aluminum components.

## Contact Information for Further Support

For any questions or concerns regarding the MDT ACC Chassis System, please refer to the manufacturer's website or contact your local dealer for assistance.

Thank you for prioritizing safety while enjoying your MDT ACC Chassis System. Always remember that responsible handling and usage of firearms is crucial for your safety and that of others.
