

# ACC Chassis System Kit Tikka T3, T3x, T1x - MDT ACC Chassis System Tikka T3, T3x, T1x SA RH ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

# MDT ACC Chassis System Safety Instruction Guide

## Introduction

Thank you for purchasing the MDT ACC Chassis System Kit for Tikka T3, T3x, and T1x rifles. This guide provides essential safety instructions to ensure the safe and effective use of your chassis system. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms and related accessories with care.
- Keep the chassis system and all components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Weight Management:** The chassis system allows for weight adjustments. Ensure that weights are securely attached to avoid accidents during use.
- **Compatibility:** Confirm that your action, barrel, and accessories are compatible with the MDT ACC Chassis System to prevent malfunctions.
- **Installation:** Follow the installation instructions carefully to ensure all components are correctly fitted.
- **Shooting Position:** Use proper shooting stances to maintain stability and control while using the chassis system.
- **Environmental Conditions:** Be aware of your surroundings and avoid using the chassis system in adverse weather conditions that may affect performance or safety.

## Instructions for Installation and Usage

### 1. Installation:

- Read the user manual thoroughly before beginning installation.
- Ensure you have all necessary tools and components before starting.
- Attach the MDT Elite Grip to the chassis system as per the instructions.
- Utilize the MDT's proprietary XTN buttstock interface to secure the adjustable stock.
- Add weights to the buttstock, interior forend, or exterior forend as desired for balance.
- Doublecheck that all components are securely attached before use.

### 2. Usage:

- Ensure the rifle is unloaded before handling or adjusting the chassis system.
- Adjust the weight and balance of the chassis system according to your shooting preferences.
- Maintain a firm grip on the rifle when aiming and shooting.
- After use, clean the chassis system and inspect for any damage or wear.

## Disposal Instructions

- Dispose of the chassis system and any components in accordance with local regulations.
- Do not dispose of in regular household waste. Check for recycling options in your area.
- Ensure that all hazardous materials are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MDT ACC Chassis System, please refer to the official MDT website or contact your local distributor for assistance.

Thank you for prioritizing safety while using the MDT ACC Chassis System. Enjoy your shooting experience responsibly!
