

ACC Chassis System Kit Tikka T3, T3x, T1x - MDT ACC Chassis System Tikka T3, T3x, T1x SA RH Red

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

MDT ACC Chassis System Kit Safety Instructions

Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your Tikka T3, T3x, and T1x rifles. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the chassis system.

General Safety Guidelines

- **Product Safety:** Ensure that the chassis system is used as intended and follow all safety precautions to minimize risks.
- **Enhanced Recalls:** Stay informed about any product recalls. Check the EU Safety Gate platform regularly for updates.
- **Online Shopping:** If purchased online, make sure to buy from authorized dealers to ensure product safety and compliance.
- **Special Consumer Focus:** Keep this product out of reach of children and ensure that it is used only by individuals knowledgeable in firearm safety.
- **EU Contact Point:** For any safety inquiries, refer to the manufacturer or retailer where the product was purchased.
- **Rapid Alerts:** Be aware of the Safety Gate system for timely updates on product safety.

Specific Safety Precautions for Use

- Always treat the rifle as if it is loaded.
- Ensure that the rifle is pointed in a safe direction at all times.
- Use appropriate protective gear, including eye and ear protection, when handling the rifle.
- Verify that the chassis system is securely attached to the rifle before use.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Do not exceed the recommended weight limit of the chassis system (maximum of 5.6 kg without accessories).
- Be cautious when adjusting weights; ensure that weights are securely fastened to avoid accidents.
- Familiarize yourself with the MDT Elite Grip and the XTN buttstock interface before use.

Instructions for Installation and Usage

Installation

1. **Prepare the Workspace:** Ensure you have a clean, welllit workspace free from distractions.
2. **Gather Tools:** Have the necessary tools ready, including a screwdriver and any weights you plan to install.
3. **Remove Existing Stock:** Carefully detach the existing stock from your Tikka rifle, following the manufacturer's guidelines.
4. **Attach the MDT ACC Chassis:**
 - Align the chassis with the action of the rifle.
 - Securely fasten the chassis using the provided screws, ensuring it is tightly fitted.
5. **Install Weights:**
 - Choose the desired configuration for weights (buttstock, interior forend, or exterior forend).
 - Add weights incrementally, checking the balance of the rifle after each addition.
 - Ensure that all weights are securely fastened.

Usage

1. **Adjust the Chassis:** Finetune the weight and balance point according to your shooting preferences.
2. **Check Stability:** Before firing, ensure that the rifle is stable and that all components are secure.

3. **Practice Safe Handling:** Always follow firearm safety protocols while using the rifle equipped with the chassis system.

Disposal Instructions

When disposing of the MDT ACC Chassis System Kit, please observe the following:

- Do not dispose of the chassis in regular household waste.
- Check local regulations for proper disposal methods for aluminum and other materials used in the chassis.
- Consider recycling options for the chassis components to reduce environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MDT ACC Chassis System Kit, please refer to the manufacturer or retailer where the product was purchased. They can provide assistance and additional resources related to safety and usage.

Thank you for prioritizing safety and compliance while using your MDT ACC Chassis System Kit. Enjoy your shooting experience!
