

ACC Chassis System Kit Tikka T3, T3x, T1x - MDT ACC Chassis System Tikka T3, T3x, T1x SA RH White

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

MDT ACC Chassis System Safety Instruction Guide

Introduction

Thank you for choosing the MDT ACC Chassis System Kit for Tikka T3, T3x, and T1x. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your chassis system. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Ensure that the chassis system is installed correctly to avoid any malfunctions.
- Always use the chassis system in accordance with the manufacturer's instructions.
- Regularly inspect the chassis for any signs of wear or damage.
- Use only compatible accessories as specified by the manufacturer.
- Keep the chassis system out of reach of children and vulnerable individuals.
- Report any accidents or unsafe conditions to the proper authorities.

Specific Safety Precautions for Use

- **Weight Management:** The adjustable weight system allows for customization. Ensure weights are securely attached to prevent accidents.
- **Stability:** When using the chassis, ensure it is on a stable surface to prevent tipping or falling.
- **Shooting Environment:** Always be aware of your surroundings when using the chassis system. Ensure a safe shooting environment.
- **Personal Protective Equipment:** Wear appropriate safety gear, including eye and ear protection, while using the chassis system.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Attach the MDT ACC chassis to the Tikka action carefully, following the manufacturer's instructions.
- Secure all screws and fittings, ensuring no parts are loose.

2. Weight Adjustment:

- To adjust the weight, remove or add weights as needed to the buttstock, interior forend, or exterior forend.
- Ensure that all weights are securely fastened before use.

3. Accessory Attachment:

- Use the provided ARCA/RRS dovetail for attaching accessories.
- Tighten the retention screw to ensure accessories do not fall off during use.

4. Usage:

- Always check the balance and weight of the rifle before use.
- Maintain a proper grip on the MDT Elite Grip while shooting.
- Follow all standard safety protocols for firearm handling.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations.
- Do not dispose of the chassis system in regular household waste.
- Consider recycling materials where possible.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT ACC Chassis System, please contact the manufacturer directly. Ensure you have the product details ready for efficient assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the MDT ACC Chassis System!
