

# Mirage Mitigation Hood Bronze

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

The Mirage Shield/NV Bridge is a dual purpose, precision machined, add-on accessory for the MDT ACC chassis. While the main purpose of the mirage shield is to help mitigate mirage and maintain a clear view of your target in sustained strings of fire, it also provides the ability for hunters and operators to attach a night vision optic to their system. For competitors, the mirage shield also gives you better available surface to control the front of your rifle, without having to grab a hot barrel.

# MDT Mirage Mitigation Hood Safety Instructions

## Introduction

Thank you for choosing the MDT Mirage Mitigation Hood. This product is designed to enhance your shooting experience by mitigating mirage and providing a stable platform for night vision optics. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not use the product if it shows any signs of damage or if any parts are missing.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the Mirage Mitigation Hood is securely attached to the MDT ACC chassis before use.
- Avoid touching the hot barrel of your rifle when adjusting the Mirage Shield/NV Bridge.
- Do not use the product in extreme weather conditions that may affect its performance.
- When using night vision optics, ensure that they are compatible with the Mirage Mitigation Hood.
- Always follow the manufacturer's guidelines regarding the maximum weight and size of attachments.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure that your MDT ACC chassis is clean and free from debris.
2. **Mounting the Mirage Shield/NV Bridge:**
  - Align the Mirage Shield/NV Bridge with the designated mounting points on the MDT ACC chassis.
  - Securely fasten all screws or clamps as per the manufacturer's instructions.
3. **Final Check:** After installation, doublecheck that the Mirage Shield/NV Bridge is firmly attached and does not move.

### Usage

1. **Mitigating Mirage:**
  - Position yourself in a stable shooting position.
  - Use the Mirage Shield to reduce visual distortion caused by heat waves.
2. **Attaching Night Vision Optics:**
  - Ensure that your night vision optic is compatible with the Mirage Shield/NV Bridge.
  - Follow the manufacturer's instructions for safely attaching the night vision optic.
3. **Handling the Product:**
  - Avoid direct contact with the barrel after firing to prevent burns.
  - Always handle the rifle with care, especially when using the Mirage Mitigation Hood.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and other materials.
- Do not dispose of the product in regular household waste.
- Contact your local waste disposal authority for information on proper recycling methods.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MDT Mirage Mitigation Hood, please reach out to the manufacturer's customer service department or consult the product website.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT Mirage Mitigation Hood. Thank you for your attention to safety.
