

Mirage Mitigation Hood Blue

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

The Mirage Shield/NV Bridge is a dual purpose, precision machined, add-on accessory for the MDT ACC chassis. While the main purpose of the mirage shield is to help mitigate mirage and maintain a clear view of your target in sustained strings of fire, it also provides the ability for hunters and operators to attach a night vision optic to their system. For competitors, the mirage shield also gives you better available surface to control the front of your rifle, without having to grab a hot barrel.

MDT Mirage Mitigation Hood Safety Instructions

Introduction

Thank you for choosing the MDT Mirage Mitigation Hood. This product is designed to enhance your shooting experience by reducing mirage effects and allowing for the attachment of night vision optics. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Inspect the product before each use to ensure it is in good condition.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Hot surfaces: The barrel of your rifle can become very hot during use. Avoid direct contact.
- Improper installation: Ensure the Mirage Hood is securely attached to prevent accidents.
- Night vision optics: Use night vision devices as per the manufacturer's guidelines to avoid damage or injury.

• Avoiding Hazards:

- Always handle the rifle with care, especially when the barrel is hot.
- Regularly check the attachment points of the Mirage Mitigation Hood.
- Ensure that all optics are properly secured and tested before use.

• Agespecific Warnings:

- This product is not intended for use by children. Adult supervision is required when used in the presence of minors.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Align the MDT Mirage Mitigation Hood with the attachment points on the MDT ACC chassis.
- Secure the hood using the provided fasteners, ensuring it is tightly fitted to prevent movement during use.

2. Usage:

- Once installed, check the alignment of the Mirage Mitigation Hood before firing.
- During use, maintain a firm grip on the rifle to control movement.
- Avoid touching the barrel after firing due to high temperatures.
- If using night vision optics, adjust the settings according to the manufacturer's instructions for optimal performance.

Disposal Instructions

- Dispose of the MDT Mirage Mitigation Hood in accordance with local regulations.
- If the product is damaged or no longer in use, please recycle it properly to minimize environmental impact.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT Mirage Mitigation Hood, please refer to the manufacturer's customer support resources. Ensure that you have the product details ready for efficient assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT Mirage Mitigation Hood. Thank you for your attention to safety.
