

Mirage Mitigation Hood Gray

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

The Mirage Shield/NV Bridge is a dual purpose, precision machined, add-on accessory for the MDT ACC chassis. While the main purpose of the mirage shield is to help mitigate mirage and maintain a clear view of your target in sustained strings of fire, it also provides the ability for hunters and operators to attach a night vision optic to their system. For competitors, the mirage shield also gives you better available surface to control the front of your rifle, without having to grab a hot barrel.

MDT Mirage Mitigation Hood Safety Instruction Guide

Introduction

Thank you for choosing the MDT Mirage Mitigation Hood. This product is designed to enhance your shooting experience by mitigating mirage and allowing for the attachment of night vision optics. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the MDT Mirage Mitigation Hood is compatible with your MDT ACC chassis before installation.
- Always handle the product with care to avoid damage and ensure optimal performance.
- Be aware of the potential hazards associated with the use of firearms and night vision optics.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly check for any updates or recalls related to the product via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure the firearm is unloaded when attaching or removing the mitigation hood.
- Avoid touching the barrel of the firearm immediately after use, as it may be hot.
- Do not use the product in conditions that may impair your ability to operate a firearm safely.
- If you notice any damage to the product, discontinue use immediately and consult with a qualified professional.

Instructions for Installation and Usage

1. Installation

- Ensure that the MDT ACC chassis is clean and free from debris.
- Align the MDT Mirage Mitigation Hood with the designated mounting points on the chassis.
- Securely fasten the hood using the provided mounting hardware, ensuring it is firmly attached.
- Check the installation for stability before proceeding to use.

2. Usage

- Once installed, adjust the position of the mitigation hood to optimize visibility and comfort.
- When using the night vision optic, ensure that it is properly mounted and adjusted for your viewing needs.
- Practice safe handling of the firearm at all times, keeping the muzzle pointed in a safe direction.

Disposal Instructions

- Dispose of the MDT Mirage Mitigation Hood in accordance with local regulations for electronic waste and metal recycling.
- Do not dispose of the product in regular household waste.
- If unsure about disposal methods, consult with local waste management authorities for guidance.

Contact Information for Further Support

For any inquiries regarding the safety or performance of the MDT Mirage Mitigation Hood, please reach out to

your local distributor or manufacturer's representative. They will be able to assist you with any questions or concerns you may have.

Thank you for prioritizing safety and compliance while using the MDT Mirage Mitigation Hood. Enjoy your shooting experience!
