

# Mirage Mitigation Hood Red

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

The Mirage Shield/NV Bridge is a dual purpose, precision machined, add-on accessory for the MDT ACC chassis. While the main purpose of the mirage shield is to help mitigate mirage and maintain a clear view of your target in sustained strings of fire, it also provides the ability for hunters and operators to attach a night vision optic to their system. For competitors, the mirage shield also gives you better available surface to control the front of your rifle, without having to grab a hot barrel.

# MDT Mirage Mitigation Hood Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Mirage Mitigation Hood. This product is designed to enhance your shooting experience by mitigating mirage effects and providing a mounting platform for night vision optics. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the MDT Mirage Mitigation Hood is used only for its intended purpose as described in this manual.
- Always follow local laws and regulations regarding the use of firearms and accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before each use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Heat Awareness:** The mirage shield may become hot during extended firing sessions. Avoid direct contact with the shield to prevent burns.
- **Night Vision Optics:** Ensure that any night vision optics are securely attached to avoid accidents or damage to the equipment.
- **Stability:** Always ensure that your rifle is stable when using the MDT Mirage Mitigation Hood to prevent accidental discharges.
- **Environmental Awareness:** Be aware of your surroundings and ensure that you are in a safe location when using firearms.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Rifle:** Ensure your rifle is unloaded and pointed in a safe direction.
2. **Attach the Mirage Hood:**
  - Align the MDT Mirage Mitigation Hood with the front rail of your MDT ACC chassis.
  - Securely fasten the hood to the rail using the provided mounting hardware.
  - Verify that the hood is firmly attached by gently pulling on it to ensure it does not move.
3. **Mount Night Vision Optics** (if applicable):
  - Follow the manufacturer's instructions for attaching your night vision optic to the designated mount on the hood.

### Usage

- **Using the Mirage Shield:**
  - Position yourself in a stable shooting stance.
  - Use the mirage shield to reduce heat distortion and maintain a clear view of your target.
- **After Use:**
  - Allow the MDT Mirage Mitigation Hood to cool down before handling.
  - Store the product in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of the MDT Mirage Mitigation Hood in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MDT Mirage Mitigation Hood, please refer to the contact details provided on the packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and enjoyable experience with the MDT Mirage Mitigation Hood. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
