

High Scope Base for ESS Chassis System Savage SA Black

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

MDT's ESS Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. MDT's ESS Scope Base Picatinny Rails are specifically designed to be used with our ESS chassis system. The rails height has been determined to specifically align with the full & partial rail ESS forend.

MDT High Scope Base for ESS Chassis System

Safety Instruction Guide

Introduction

Thank you for choosing the MDT High Scope Base for the ESS Chassis System. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide thoroughly before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always wear appropriate eye and hearing protection when using firearms equipped with the scope base.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearms and related accessories.

Specific Safety Precautions for Use

- Be aware of your surroundings and ensure a safe shooting environment.
- Do not exceed the weight limit of the scope base as specified by the manufacturer.
- Ensure that the scope is securely attached to the base before use.
- Avoid using the product in extreme weather conditions that may affect its performance.
- If you experience any issues with the product, discontinue use immediately and seek professional assistance.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Required Tools:** Ensure you have the necessary tools, including a torque wrench and appropriate screws.
2. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
3. **Align the Base:** Position the MDT High Scope Base on the receiver of your firearm, aligning it with the mounting holes.
4. **Secure the Base:**
 - Insert screws into the mounting holes.
 - Use a torque wrench to tighten the screws to the manufacturer's recommended torque specifications.
5. **Check Alignment:** Confirm that the base is level and securely attached.

Usage Instructions

1. **Mount the Scope:**
 - Attach your scope to the MDT High Scope Base following the manufacturer's instructions.
 - Ensure the scope is securely fastened.
2. **Adjust the Scope:**
 - Make necessary adjustments for elevation and windage, utilizing the 20 MOA incline feature of the rail.

3. Test the Setup:

- Perform a function check to ensure everything is operating correctly before taking the firearm to the range.

4. Regular Maintenance:

- Periodically check the tightness of the screws and the overall condition of the scope base.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling components where possible.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any questions or concerns regarding the MDT High Scope Base for the ESS Chassis System, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety guidelines. Enjoy the enhanced performance and reliability of your MDT High Scope Base.
