

ESS Chassis Base Tikka T3 - ESS Chassis Base-Tikka T3 LA-Right Handed-ESS Cerakote Tactical Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

MDT ESS Chassis Base Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis Base for your Tikka T3 rifle. This guide provides important safety information and instructions to ensure the safe use and handling of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that all users of the MDT ESS Chassis Base read and understand these safety guidelines.
- Always treat your firearm and its components with respect and care.
- Store the chassis and all related components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the chassis and components for signs of wear or damage.
- Follow all local laws and regulations regarding firearms and firearm accessories.

Specific Safety Precautions for Use

- **Handling:** Always handle the chassis with care. Avoid dropping or impacting it, as this may cause damage.
- **Installation:** Ensure that the chassis is installed correctly according to the provided instructions. Improper installation may lead to malfunctions.
- **Compatibility:** Verify that the chassis is compatible with your specific model of Tikka T3 or T3x before use.
- **Shooting Environment:** Use the chassis only in safe shooting environments. Ensure that the area is clear of obstructions and that you have a proper backstop.
- **Personal Safety Equipment:** Always wear appropriate safety gear, including eye and ear protection, when using firearms.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components for installation.
- Ensure that the workspace is clean and welllit.

2. Installation Steps:

- Remove the existing stock from your Tikka T3 or T3x rifle.
- Align the MDT ESS Chassis Base with the action of the rifle.
- Secure the chassis to the rifle using the provided screws and tools. Ensure that all screws are tightened to the manufacturer's specifications.
- Attach the desired forend and stock options as per your preferences.
- Verify that all components are securely attached and that there is no play or movement.

3. Usage:

- Once installed, familiarize yourself with the chassis features, including MLOK slots and QD flush cup mounts.
- Adjust the forend and stock to your preferred settings for comfort and stability.
- Always check that the rifle is unloaded before handling or making adjustments.

Disposal Instructions

- Dispose of the MDT ESS Chassis Base and its components in accordance with local regulations.
- Do not dispose of any parts in regular household waste. Check for local recycling or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis Base, please refer to the manufacturer's website or contact their customer support service. Ensure you have the product serial number and any relevant information ready for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis Base. Always prioritize safety and responsible handling of your firearm and its components. Thank you for your attention to these guidelines.
