

# ESS Chassis Base Tikka T3 - ESS Chassis Base-Tikka T3 SA-Left Handed-ESS Cerakote Burnt Bronze

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

# MDT ESS Chassis Base Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ESS Chassis Base for your Tikka T3. This guide provides important safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully and keep it for future reference.

## General Safety Guidelines

- Ensure that the MDT ESS Chassis Base is used only for its intended purpose.
- Always handle firearms and related components with care and follow all applicable laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek professional assistance.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using firearms.
- Ensure that the firearm is unloaded before attaching or detaching the chassis.
- Use only compatible components and accessories as specified in the product documentation.
- Be cautious when adjusting or modifying the chassis, as improper handling may lead to injury.
- Do not exceed the weight limits specified for the chassis and its components to avoid structural failure.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your work area is clean and free from distractions.
- Gather all necessary tools and components before starting the installation.

### 2. Installation of the Chassis Base

- Remove the existing stock from your Tikka T3 following the manufacturer's instructions.
- Align the MDT ESS Chassis Base with the action of the rifle.
- Secure the chassis base using the provided screws and tools, ensuring a tight fit.

### 3. Attaching the Forend

- Select the desired forend length (12", 15", or 18").
- Attach the forend to the chassis base, ensuring that it is properly aligned and secured.
- If applicable, install the rail system according to the included instructions.

### 4. Mounting the Stock

- Choose your preferred stock option (Skeleton Rifle, Folding Rifle, or Skeleton Carbine).
- Install the stock onto the chassis base as per the manufacturer's guidance.

### 5. Final Checks

- Ensure all components are securely fastened and check for any movement.
- Conduct a safety check to confirm that the firearm is unloaded and safe to handle.

## Disposal Instructions

- Dispose of packaging materials and any unused components responsibly.
- Follow local regulations for the disposal of metal and plastic materials.
- Do not dispose of the chassis in household waste. Instead, contact local recycling centers for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis Base, please refer to the manufacturer's website or contact your local distributor. Ensure that you have the product details ready when seeking assistance.

By adhering to the above safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis Base. Thank you for your attention to safety!
