The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

# MDT ESS Chassis Base Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis Base for your Tikka T3 rifle. This guide provides important safety instructions and best practices to ensure the safe and effective use of your product. Please read this manual thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the chassis and associated components for wear or damage.
- Always handle firearms with care and follow all applicable safety regulations.
- Keep the chassis and all firearm components out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installation or maintenance.
- Use only compatible parts designed for the Tikka T3 model.
- Do not modify the chassis or any of its components, as this may compromise safety.
- When using the chassis, ensure that all screws and attachments are securely tightened.
- Avoid exposure to extreme temperatures and moisture to prevent material degradation.
- Always wear appropriate safety gear when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have all necessary tools and components before starting the installation.
- Read through the installation instructions carefully.

### 2. Installation Steps

- Remove the existing stock from your Tikka T3 rifle.
- Align the chassis base with the action of the rifle.
- Secure the chassis base using the provided screws, ensuring they are tightened evenly.
- Attach the forend of your choice, ensuring proper alignment with the chassis base.
- If using a stock, attach it securely according to the manufacturer's instructions.

### 3. Usage

- Familiarize yourself with the operation of the chassis and any attached components.
- Always check the stability and security of the chassis before each use.
- Follow all standard firearm safety practices during operation.

## Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.
