

ESS Chassis Base Tikka T3 - ESS Chassis Base - Tikka T3 SA - Left Handed -FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

Safety Instruction Guide for MDT ESS Chassis Base Tikka T3 SA Left Handed FDE

Introduction

Thank you for choosing the MDT ESS Chassis Base for your Tikka T3 SA rifle. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your product. Please read this guide thoroughly before using the chassis base.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow standard firearm safety practices.
- Inspect the chassis base for any damage before installation or use.
- Keep all components out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the rifle is unloaded before attaching or detaching the chassis base.
- Use the chassis base only with compatible Tikka T3 models.
- Do not exceed the manufacturer's specifications for weight and accessories.
- Regularly check the mounting screws to ensure they are secure.
- Avoid using the chassis base in extreme environmental conditions that may affect performance.
- If you experience any malfunction or unusual behavior during use, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

Installation

1. Prepare Your Workspace

- Ensure you have a clean, flat surface to work on.
- Gather all necessary tools, including a screwdriver and any provided mounting hardware.

2. Remove Existing Stock

- Unload the rifle.
- Remove the existing stock from the Tikka T3 by unscrewing the mounting screws.

3. Attach the Chassis Base

- Align the chassis base with the action of the rifle.
- Secure the chassis base using the provided screws. Ensure they are tightened properly but do not overtighten.

4. Install Forend and Stock

- Select and attach your desired forend (12", 15", or 18") to the chassis base.
- Attach the stock of your choice (Skeleton Rifle, Folding Rifle, or Skeleton Carbine) as per the instructions provided with each component.

5. Final Inspection

- Doublecheck all screws and connections to ensure everything is secure.
- Perform a function check by cycling the action to ensure smooth operation.

Usage

- Always follow standard firearm safety rules when handling your rifle.
- Use the chassis base in a controlled environment, ensuring that you are aware of your surroundings.
- Regularly inspect the chassis and all components for wear and tear.

Disposal Instructions

- Dispose of the chassis base and any components in accordance with local regulations.
- Do not dispose of any parts in a manner that poses a hazard to the environment or public safety.
- Consider recycling materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis Base, please refer to the manufacturer's contact information provided with your product packaging or on the official website.
