The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

MDT ESS Chassis Base Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis Base for your Tikka T3 rifle. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand the proper handling, installation, and maintenance of your chassis base.

General Safety Guidelines

- Always handle firearms with care and treat them as if they are loaded.
- Ensure that the rifle is pointed in a safe direction at all times.
- Keep your fingers off the trigger until you are ready to shoot.
- Store the chassis and any associated components in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis and rifle for wear or damage before each use.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that you are using the chassis base that is compatible with your Tikka T3 model.
- Be aware of the weight distribution when adding components to your chassis, as it may affect balance and handling.
- When attaching or detaching the forend and stock, ensure that all screws and fasteners are properly tightened to avoid any accidents.
- Avoid using the chassis in extreme weather conditions that may affect performance or safety.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the chassis and rifle for any issues.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all components: chassis base, forend, stock, and necessary tools.
- Work in a clean, dry area free from distractions.

2. Installation of Chassis Base:

- Remove the existing stock from your Tikka T3 rifle.
- Align the chassis base with the action of the rifle.
- Secure the chassis base using the provided screws, ensuring they are tightened according to the manufacturer's specifications.

3. Attaching the Forend:

- Select your desired forend length (12", 15", or 18").
- Attach the forend to the chassis base, ensuring it is properly aligned and seated.
- Tighten the attachment screws securely.

4. Installing the Stock:

- Choose your stock option: standard Skeleton Rifle stock, Folding Rifle Stock, or Skeleton Carbine Stock.
- Attach the stock to the chassis base according to the provided instructions.

- Ensure all fasteners are tightened.

5. Final Checks:

- Inspect the entire assembly for any loose parts or misalignments.
- Ensure that the rifle operates smoothly before use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the chassis base or components become damaged beyond repair, contact your local waste management facility for proper disposal methods.
- Do not dispose of any components in regular household waste.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's website or contact your retailer. It is important to have access to assistance if you encounter any issues with your MDT ESS Chassis Base.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis Base. Always prioritize safety and be informed about best practices for firearm handling. Thank you for your attention to these important guidelines.
