

ESS Chassis Base Remington 700 - ESS Chassis Base-Remington 700 SA-Left Handed-ESS Cerakote Burnt Bronze

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

MDT ESS Chassis Base Remington 700 ESS

Chassis Base Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis Base for your Remington 700. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about recalls and safety notices through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before attaching or detaching the chassis.
- Verify that all components are securely fastened before use.
- Do not exceed the manufacturer's recommendations for weight and accessories.
- Use only compatible accessories and components with the MDT ESS Chassis Base.
- Avoid using the product in extreme weather conditions that may affect performance.
- Be cautious when handling sharp edges or components during installation.

Instructions for Installation and Usage

1. Installation of the Chassis Base

- Remove the existing stock from your Remington 700.
- Align the MDT ESS Chassis Base with the action of your firearm.
- Secure the chassis base using the provided screws and tools. Ensure they are tightened to the manufacturer's specifications.

2. Attaching the Forend

- Choose the desired forend length (12", 15", or 18").
- Align the forend with the chassis base rail.
- Secure the forend using the provided hardware. Confirm that it is firmly attached.

3. Installing the Stock

- Select your preferred stock option (Skeleton Rifle Stock, Folding Rifle Stock, or Skeleton Carbine Stock).
- Attach the stock to the chassis base following the manufacturer's instructions.
- Ensure that the stock is properly locked in place before use.

4. Scope Mounting

- If using a scope, ensure that the actionspecific scope mounting rails are properly installed.
- Follow the scope manufacturer's guidelines for mounting and adjustments.

5. Final Checks

- Doublecheck that all components are securely attached and functioning correctly.
- Perform a safety check to ensure the firearm is unloaded and safe to handle.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's official website or customer service for assistance.

By following these guidelines, you can ensure the safe and effective use of your MDT ESS Chassis Base. Thank you for your attention to safety.
