

ESS Chassis Base Remington 700 - MDT Chassis - ESS - Remington 700 - LA - LH - BBZ

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

MDT ESS Chassis Base Remington 700 Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis Base for your Remington 700. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this guide carefully to understand how to use, install, and dispose of your product safely.

General Safety Guidelines

- Always ensure the firearm is unloaded before attaching or detaching the chassis.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Do not use the chassis if it appears to be damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Ensure that the chassis is compatible with your specific firearm model.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.

Specific Safety Precautions for Use

- Use only compatible MDT Forends and Stocks with the ESS Chassis to ensure proper fit and function.
- Ensure that all screws and fasteners are tightened securely before use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not exceed the manufacturer's weight limits for accessories mounted on the chassis.
- Avoid using the chassis in extreme weather conditions that may affect its performance.

Instructions for Installation and Usage

1. Installation of the Chassis:

- Ensure your Remington 700 is unloaded and pointed in a safe direction.
- Remove the existing stock from your firearm according to the manufacturer's instructions.
- Align the MDT ESS Chassis with the action of your Remington 700.
- Securely fasten the chassis to the action using the provided screws, ensuring they are tightened to the manufacturer's specifications.

2. Attaching the Forend:

- Select the desired length of the Forend (12", 15", or 18").
- Attach the Forend to the chassis, ensuring it is properly aligned and secured.
- Choose between a full rail, partial rail, or no rail with cutouts for scope mounting as per your preference.

3. Installing the Stock:

- Choose from the available stock options: standard Skeleton Rifle stock, Folding Rifle Stock, or Skeleton Carbine Stock.
- Attach the selected stock to the chassis, ensuring it is properly aligned and securely fastened.

4. Using the Chassis:

- Once installed, check that all components are securely attached before use.

- When ready to shoot, ensure the firearm is pointed in a safe direction.
- Follow standard firearm safety practices while using your firearm.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- When disposing of the chassis or any components, ensure they are not left in a location where they may pose a hazard to others.
- Consider recycling materials where possible, following local guidelines for recycling metal and plastic.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT ESS Chassis, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safer experience while using the MDT ESS Chassis Base for your Remington 700. Thank you for prioritizing safety!
