

# ESS Chassis Base Remington 700 - MDT Chassis - ESS - Remington 700 - LA - LH - RED

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

# MDT ESS Chassis Base Remington 700 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ESS Chassis Base for the Remington 700. This guide provides important safety information and instructions to ensure the safe use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the safe handling of firearms and related accessories.
- Always follow local laws and regulations regarding firearms and their accessories.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the chassis.
- Use only compatible forends and stocks as specified in this guide.
- Do not exceed the manufacturer's recommended specifications for the chassis.
- Avoid using the chassis in extreme environmental conditions that may compromise its integrity.
- Be aware of the potential for injury when handling sharp edges or moving parts during installation.

## Instructions for Installation and Usage

### Installation Steps

1. **Preparation:** Ensure that your firearm is unloaded and in a safe environment.
2. **Remove the Existing Stock:** Detach the existing stock from your Remington 700 as per the manufacturer's instructions.
3. **Attach the Chassis Base:**
  - Align the chassis base with the action of the firearm.
  - Securely fasten the chassis using the provided screws, ensuring they are tightened to the manufacturer's specifications.
4. **Install Forend and Stock:**
  - Select your desired forend length (12", 15", or 18").
  - Attach the forend to the chassis base, ensuring it is securely fastened.
  - Choose your stock option (Skeleton Rifle stock, Folding Rifle Stock, or Skeleton Carbine Stock) and attach it accordingly.
5. **Final Check:** Doublecheck all connections and ensure that everything is securely fastened before use.

### Usage Guidelines

- Always use the chassis in a safe and responsible manner.
- Regularly check for any loose parts or signs of wear.
- Use MLOK slots for attaching accessories as needed, ensuring they are securely mounted.
- Follow the guidelines for scope mounting and ensure that all components are compatible.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- If the product is damaged beyond repair, ensure that it is disposed of safely to prevent any potential hazards.
- Recycle materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ESS Chassis Base, please reach out to your local dealer or the manufacturer's customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis Base for the Remington 700. Thank you for your attention to safety.
