

# ESS Chassis Base Tikka T3 - ESS Chassis Base-Tikka T3 SA-Right Handed-ESS Cerakote Storm Trooper White

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

# MDT ESS Chassis Base Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ESS Chassis Base for your Tikka T3. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Always follow local regulations and laws when using firearms and firearm accessories.
- Ensure the product is suitable for your specific firearm model and configuration.
- Regularly inspect the chassis and components for signs of wear or damage.
- Store the chassis in a safe, dry place when not in use.
- Keep the product out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- Before using the chassis, familiarize yourself with its features and operation.
- Always handle firearms with care and assume they are loaded until verified otherwise.
- Use protective eyewear when installing or adjusting the chassis.
- Ensure that the firearm is unloaded when installing or making adjustments to the chassis.
- Avoid using the chassis in wet or muddy conditions to prevent damage.
- Do not exceed the weight limits specified for the forends and accessories.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation.
- Ensure the work area is clean and welllit.

### 2. Installation of Chassis Base

- Carefully remove the chassis from its packaging.
- Align the chassis base with the action of the Tikka T3.
- Securely fasten the chassis using the provided screws, ensuring not to overtighten.

### 3. Forend Installation

- Choose the desired forend length (12", 15", or 18").
- Attach the forend to the chassis base by aligning it with the mounting points.
- Secure the forend using the provided screws and ensure it is tightly fastened.

### 4. Stock Installation

- Select your preferred stock option (Skeleton Rifle, Folding Rifle, or Skeleton Carbine).
- Attach the stock to the chassis base, ensuring it is properly aligned.
- Secure the stock using the provided screws.

### 5. Scope Mounting

- If using a scope, install the actionspecific scope mounting rail.
- Ensure that the scope is mounted securely and at the correct height for your shooting position.

## 6. Final Checks

- Doublecheck all screws and connections for tightness.
- Perform a function check of the firearm to ensure everything operates smoothly.

## Disposal Instructions

- Dispose of packaging materials according to local regulations.
- If the chassis becomes damaged beyond repair, follow local guidelines for disposing of aluminum materials.
- Do not dispose of the chassis in regular household waste.

## Contact Information for Further Support

For safety inquiries or further assistance, please contact the manufacturer or visit our website for additional resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis Base. Thank you for your attention to these important guidelines.
