Safety Instruction Guide for MDT Accessories Bolt Handle Clamp on

Introduction

Thank you for choosing the MDT Accessories Bolt Handle Clamp on for your Ruger American rifle. This product is designed to enhance the grip and ergonomics of your firearm while ensuring ease of installation. Please read this safety instruction guide carefully to understand how to use this product safely and effectively in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is compatible with your specific rifle model before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility Check:** Verify that your rifle is one of the compatible models: Rem700 (Right Handed), Tikka T3, Howa, Ruger American Centerfire, Savage 110 (not compatible with Savage Tactical or Axis bolt knobs), and threaded models.
- **Installation Surface:** Ensure that the bolt handle is clean and free from debris before installation.
- **Grip Security:** After installation, confirm that the bolt handle is securely clamped and does not wobble during use.
- **Usage Awareness:** Be aware of your surroundings and ensure that the firearm is pointed in a safe direction when using the bolt handle.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools: a clean cloth and a flat surface for installation.
- Ensure the rifle is unloaded and pointed in a safe direction.

2. Installation Steps:

- Clean the existing bolt handle with a cloth to remove any dirt or oil.
- Open the clamshell clamps of the MDT Bolt Handle.
- Position the clamps over the existing bolt handle, ensuring they are aligned properly.
- Firmly press the clamps together until they securely grip the bolt handle.
- Check the stability of the installation by gently pulling on the handle. It should not move or detach.

3. Usage:

- Once installed, use the bolt handle as intended to operate the bolt mechanism of your rifle.
- Regularly check the handle for any signs of looseness or wear during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic waste.
- Do not discard in regular household waste.
- Consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the MDT Accessories Bolt Handle Clamp on, please reach out to your local retailer or the manufacturer's customer service. Ensure you have your product details ready for reference.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT Accessories Bolt Handle Clamp on. Always prioritize safety and responsible firearm handling.
