

# SEATER WITH CRIMP FOR RIFLE CALIBERS - TRIEBEL Seater with Crimp 223 Remington - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

NO IMAGE  
AVAILABLE

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

## Specs:

- Thread: 7/8"

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# TRIEBEL Seater with Crimp Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seater with Crimp for Rifle Calibers. This guide provides essential safety instructions and usage guidelines to ensure your safety and the proper functioning of the product. Please read this manual thoroughly before using the product.

## General Safety Guidelines

- Ensure safe use of the TRIEBEL Seater with Crimp by following these guidelines:
  - Always handle the product with care.
  - Keep out of reach of children and vulnerable individuals.
  - Do not use the product for any purpose other than its intended use.
  - Regularly inspect the product for any signs of wear or damage.
  - If you notice any defects, discontinue use immediately and contact support.

## Specific Safety Precautions for Use

- Before using the TRIEBEL Seater with Crimp, please consider the following precautions:
  - Use only compatible cartridges (e.g., 223 Remington) as specified.
  - Ensure that the work area is clean and free from obstructions.
  - Wear appropriate safety gear, such as safety glasses and gloves.
  - Always follow the manufacturer's instructions for loading and unloading cartridges.
  - Avoid distractions while using the product to maintain focus and attention.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the TRIEBEL Seater with Crimp:

### 1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Attach the TRIEBEL Seater with Crimp to the reloading press using the 7/8" thread.
- Verify that the seaterhead is securely in place before proceeding.

### 2. Usage:

- Place the cartridge case into the die.
- Insert the bullet into the case mouth.
- Operate the press to seat the bullet to the desired depth.
- If crimping is required, adjust the die accordingly to crimp the mouth of the cartridge case.
- Inspect the completed cartridge for proper seating and crimping.

## Disposal Instructions

- Proper disposal of the product and any associated materials is essential:
  - Dispose of any used cartridges and materials in accordance with local regulations.
  - Do not dispose of the product in regular household waste; follow local guidelines for hazardous waste disposal.
  - If the product is damaged beyond repair, consult local recycling facilities for appropriate disposal

methods.

## Contact Information for Further Support

- For any safety inquiries or support related to the TRIEBEL Seater with Crimp, please reach out to the designated EU contact point provided with your product packaging or documentation.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the TRIEBEL Seater with Crimp. Always prioritize safety and compliance with the EU General Product Safety Regulation (GPSR). Thank you for your attention to these important safety measures.
