

# SEATER WITH CRIMP FOR RIFLE CALIBERS - TRIEBEL Seater with Crimp 270 Winchester - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

## Specs:

- Thread: 7/8"

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# Safety Instruction Guide for TRIEBEL Seater with Crimp for Rifle Calibers

## Introduction

Thank you for choosing the TRIEBEL Seater with Crimp for Rifle Calibers, specifically designed for the 270 Winchester. This guide provides essential safety instructions and general usage information to ensure your experience with this product is safe and effective. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions when using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about recalls or safety alerts related to this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the seater.
- Ensure that the work area is clean, organized, and free from distractions.
- Use the product in a wellventilated area to avoid inhalation of any harmful particles.
- Do not exceed the recommended specifications for bullet seating and crimping.
- Avoid using the product while under the influence of alcohol, drugs, or any substances that may impair judgment.
- Be aware of your surroundings and ensure that no unauthorized individuals are present during use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have the correct seaterhead for the bullet you intend to use.
- Securely attach the seater to the reloading press with the 7/8" thread.
- Check that the seaterhead is properly aligned and tightened before proceeding.

### 2. Usage:

- Place the cartridge case into the loading tray.
- Insert the bullet into the cartridge case.
- Activate the reloading press to seat the bullet into the case. Ensure that the bullet is guided into the exact guide bushing.
- If crimping is desired, adjust the seaterhead to apply the crimp to the mouth of the cartridge case.
- Inspect the seated bullet for proper alignment and crimping before proceeding with further reloading steps.

## Disposal Instructions

- Dispose of any defective or damaged products in accordance with local regulations.
- Do not throw the product in the regular household waste.
- Check for local recycling programs that accept metal and plastic components.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the TRIEBEL Seater with Crimp for Rifle Calibers, please refer to the manufacturer's contact details provided in the product manual.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the TRIEBEL Seater!
