

# BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest-Seater 270 Winchester - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

## Specs:

- Thread: 7/8"

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# Safety Instruction Guide for TRIEBEL BenchRestSeaters for Rifle Calibers

## Introduction

Thank you for choosing the TRIEBEL BenchRestSeater for 270 Winchester. This product is designed to ensure the highest precision in seating match bullets. It is essential to follow safety guidelines to ensure safe use and optimal performance of this product.

## General Safety Guidelines

- Always read the manual thoroughly before using the product.
- Ensure that you are familiar with the operation of the BenchRestSeater.
- Use the product only for its intended purpose, which is seating match bullets for rifle calibers.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage before each use.
- Do not modify the product in any way, as this may compromise safety and performance.
- In case of any malfunction or if the product is dropped, inspect it for damage before using it again.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when using the BenchRestSeater.
- Ensure that the workspace is clean and free from obstructions.
- Only use the specified seaterhead designed for the bullet you are using to ensure concentricity.
- Do not exceed the recommended thread size of 7/8" when attaching the seater.
- Avoid placing your hands or body parts near the seating area during operation to prevent injury.
- Be aware of your surroundings and ensure that no one is in close proximity while you are using the product.
- Follow all local laws and regulations regarding the handling and use of ammunition.

## Instructions for Installation and Usage

- Ensure that the workbench or surface is stable and secure before installation.
- Attach the BenchRestSeater to the reloading press by following these steps:
  1. Align the seater with the press and insert the 7/8" thread into the corresponding socket.
  2. Tighten the seater securely, ensuring it is firmly in place.
- Select the appropriate seaterhead based on the bullet you are using. If unsure, consult the manual or manufacturer for guidance.
- Place the cartridge case into the seater and ensure it is properly aligned.
- Insert the bullet into the cartridge case while ensuring it is seated correctly.
- Gently operate the press to seat the bullet into the case, ensuring not to apply excessive force.
- After use, clean the seater and store it in a safe place.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw the product in regular household waste. Instead, check for local recycling programs that accept metal components.
- Ensure that all ammunition components are disposed of properly and safely.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the TRIEBEL BenchRestSeater, please refer to the manual for contact information. It is important to have a reliable point of contact for any questions or concerns related to safety and product performance.

By following these safety instructions, you can ensure a safe and effective experience with the TRIEBEL BenchRestSeater for Rifle Calibers. Thank you for your attention to these important guidelines.
