

FULL LENGTH DIES FOR RIFLE CALIBERS - TRIEBEL Full Length Die 300 Norma Magnum - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length.

In addition to a removable expander our FL dies have an integrated primer ejector pin.

All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut.br>

Specs:

- Thread: 1 1/4"
- Expander (diameter): 7.8mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for TRIEBEL Full Length Die 300 Norma Magnum

Introduction

Thank you for choosing the TRIEBEL Full Length Die for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die. Please read this manual carefully before using the product.

General Safety Guidelines

- **Product Safety:** Always ensure that the die is used according to the manufacturer's instructions to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about any product recalls by checking the official recall notices. If necessary, you will receive free remedies for dangerous products.
- **Online Shopping:** When purchasing online, ensure that the seller complies with EU safety requirements to guarantee the product's safety.
- **Special Consumer Focus:** Extra care should be taken when children are present. Keep all reloading equipment out of reach of children.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Personal Protective Equipment:** Always wear safety glasses and gloves when handling reloading equipment to protect against potential injuries.
- **Work Area:** Ensure that your work area is clean, welllit, and free from distractions to minimize the risk of accidents.
- **Inspection:** Before each use, inspect the die for any signs of wear or damage. Do not use if damaged.
- **Proper Handling:** Handle the die with care to avoid dropping or mishandling that could lead to injury or damage.
- **Storage:** Store the die and all reloading components in a secure location, away from children and unauthorized users.
- **Follow Instructions:** Always follow the manufacturer's instructions for installation and usage to avoid hazards.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Attach the TRIEBEL Full Length Die to the press using the provided lock nut, ensuring it is tightened to prevent movement during operation.
- Adjust the die position as needed according to the instructions to ensure proper sizing of the cartridge case.

2. Usage:

- Insert the cartridge case into the die, ensuring it is seated correctly.
- Operate the press smoothly and steadily. Avoid forcing the press, as this could damage the die or the cartridge case.
- After sizing, remove the cartridge case and inspect it for proper neck tension and overall integrity.

- If the expander or ejector pin needs replacement, follow the specific instructions in the manual for easy replacement.

3. Calibration:

- Calibration occurs when the cartridge case is pushed into the die. Ensure that the die is properly calibrated to achieve the desired neck tension.
- Adjust the die as necessary to maintain proper calibration during use.

Disposal Instructions

- Dispose of any damaged or wornout dies and components in accordance with local waste disposal regulations.
- Do not dispose of the die in regular household waste. Instead, check for local recycling programs or hazardous waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Full Length Die, please refer to the contact information provided by the retailer or manufacturer. They will be able to assist you with any inquiries related to safety, usage, or product support.

By following these safety instructions, you can ensure a safe and effective reloading experience with your TRIEBEL Full Length Die. Thank you for your attention to safety.
