

BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest-Seater 300 Norma Magnum - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

Specs:

- Thread: 1 1/4"

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instructions for TRIEBEL BenchRestSeater 300 Norma Magnum

Introduction

Thank you for choosing the TRIEBEL BenchRestSeater 300 Norma Magnum. This product is designed to ensure the highest precision in seating match bullets. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in handling ammunition. Always ensure that you follow safety practices when using any reloading equipment.
- **Enhanced Recalls:** In the event of a product recall, you will be informed through standardized notices. Please take note of any updates regarding your product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is intended for adult users. Keep it out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EU-based contact points provided by the retailer.
- **Rapid Alerts:** Stay informed about product safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Read the Manual:** Always read the user manual before using the BenchRestSeater.
- **Use Appropriate Components:** Ensure that you are using the correct seater head for the bullet type to improve concentricity and safety.
- **Inspect Before Use:** Check the seater for any signs of wear or damage before each use. Do not use if damaged.
- **Proper Handling:** Handle the seater with care. Avoid dropping or mishandling the equipment.
- **Adequate Lighting:** Use the seater in a well-lit area to ensure visibility and precision during use.
- **Protective Gear:** It is recommended to wear safety glasses and gloves while using this product to protect against potential hazards.
- **Avoid Distractions:** Ensure that you are focused and free from distractions while using the seater.

Instructions for Installation and Usage

1. Setup:

- Secure the BenchRestSeater to a stable work surface.
- Ensure that the work area is clean and organized.

2. Installation:

- Attach the appropriate seater head to the seater body by following the instructions in the manual.
- Ensure that all components are tightened securely.

3. Seating Process:

- Place the cartridge case in the seater.
- Insert the bullet into the cartridge case.
- Slowly and steadily operate the seater handle to seat the bullet.

- Monitor the process to ensure that the bullet is seated correctly.

4. PostUse Care:

- After use, clean the seater to remove any debris or residue.
- Store the seater in a safe place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer usable, dispose of it in a way that complies with local waste disposal laws.
- Do not dispose of the product in household waste. Instead, take it to a designated waste disposal facility.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL BenchRestSeater, please refer to the retailer or manufacturer's support resources. Always ensure that you follow the guidelines outlined in this document to ensure your safety and the proper use of the product.
