

# FULL LENGTH DIES FOR RIFLE CALIBERS - TRIEBEL Full Length Die 300 Win Mag - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length.

In addition to a removable expander our FL dies have an integrated primer ejector pin.

All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut.br>

## Specs:

- Thread: 1 1/4"
- Expander (diameter): 7.8mm

All relevant components have an article number for easy reordering if necessary.

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# Safety Instruction Guide for TRIEBEL Full Length Dies for Rifle Calibers

## Introduction

Thank you for choosing the TRIEBEL Full Length Die for 300 Win Mag. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the die to understand the potential hazards and how to avoid them.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your reloading press before using the TRIEBEL Full Length Die.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Keep the work area clean and free from clutter to prevent accidents.
- Store the die in a dry, safe place when not in use to prevent rust and damage.
- Always check for proper function before using the die. If you notice any damage or malfunction, do not use the product.
- Follow local regulations regarding the handling and storage of reloading components and ammunition.

## Specific Safety Precautions for Use

- Only use the TRIEBEL Full Length Die with compatible cartridge cases. Ensure you are using it with 300 Winchester Magnum cartridges.
- Do not exceed recommended loads as specified in reloading manuals. Overloading can lead to dangerous situations.
- Ensure that the die is securely mounted to the reloading press before use.
- Never place your hands or fingers near the die during operation.
- If you encounter resistance while resizing, stop immediately. Inspect the die and cartridge case for any issues before proceeding.
- Always ensure that the primer ejector pin is functioning correctly to avoid misfires.

## Instructions for Installation and Usage

### 1. Installation:

- Securely attach the TRIEBEL Full Length Die to your reloading press using the provided lock nut. Ensure it is tightly fitted to prevent movement during operation.
- Adjust the die to the correct height according to your press specifications. Calibration occurs when the cartridge case is pushed into the die.

### 2. Usage:

- Insert the cartridge case into the die, ensuring it is properly aligned.
- Operate the press handle smoothly and steadily to resize the cartridge case.
- After resizing, remove the cartridge case and check the neck tension. The neck should be calibrated correctly.
- If necessary, replace the expander or primer ejector pin by following the instructions in the manual.

### 3. Maintenance:

- Regularly clean the die to prevent buildup of debris and ensure smooth operation.
- Inspect all components, including spindles and pins, for wear and replace them as needed.

## **Disposal Instructions**

- Dispose of any damaged or wornout components in accordance with local waste disposal regulations.
- Do not dispose of reloading materials in regular trash. Follow specific guidelines for hazardous materials if applicable.

## **Contact Information for Further Support**

For any safety inquiries, product support, or assistance, please refer to the manufacturer's website or user manual for contact details.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy reloading with the TRIEBEL Full Length Die for Rifle Calibers!
