

# SEATER WITH CRIMP FOR RIFLE CALIBERS - TRIEBEL Seater with Crimp 300 Win Mag - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

## Specs:

- Thread: 1 1/4"

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# TRIEBEL Seater with Crimp Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seater with Crimp for Rifle Calibers. This guide provides essential safety instructions and usage guidelines to ensure your safety and the optimal performance of the product. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure safe use of the TRIEBEL Seater with Crimp by following all instructions.
- Be aware of risks associated with reloading ammunition and handling firearms.
- Always handle ammunition and firearms with care and respect.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the product.
- Ensure the work area is wellventilated and free of distractions.
- Do not exceed the recommended specifications for the product, including cartridge type and sizing.
- Avoid using the Seater with Crimp if you notice any damage or wear.
- Never leave the Seater unattended while in use.
- Follow all local laws and regulations regarding ammunition reloading and firearm safety.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your reloading press is securely mounted and stable.
- Carefully attach the TRIEBEL Seater with Crimp to your reloading press using the provided threads (1 1/4").
- Verify that the seaterhead is properly installed and securely fastened.

### 2. Using the Seater

- Select the appropriate seaterhead for the bullet you are using, as this can significantly improve concentricity.
- Adjust the seating depth according to your specific requirements.
- If crimping is desired, adjust the crimping mechanism as per the instructions provided with your reloading press.
- Place the cartridge case into the die and gently lower the press handle to seat the bullet.
- Inspect the completed cartridge for any irregularities before use.

### 3. PostUse Care

- Clean the Seater with a soft cloth after each use to remove any residue.
- Store the product in a dry and secure location, away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of any damaged or worn parts according to local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs for metal and plastic components.

## **Contact Information for Further Support**

For any inquiries or support regarding the TRIEBEL Seater with Crimp, please refer to the contact information provided in the product manual or on the manufacturer's website.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective reloading experience with the TRIEBEL Seater with Crimp.
